DEFINITIONS AND ACRONYMS

DEFINITION	DESCRIPTION
AED	Arab Emirates Dirham.
Annual Rate	Covers 365 calendar days.
Cargo Trucks	A cargo truck with enclosed cargo bed, capable of hauling 3 tons of baggage. Must be Toyota, Mitsubishi, or similar make.
Ex-fleet / Used Vehicles	Vehicles must be no more than two years old, and have no more than 30,000 kilometers on the odometer upon delivery.
Extended Length Sports Utility Vehicle (SUV)	An extended length SUV, also sometimes called a long-wheel based SUV, are vehicles that are similar to a full-size SUV, except that these vehicles have a larger cargo area (around 130 in (3.30 m)) and passenger space that can seat up to 8 or 9 people (with the available third row seating that when folded or removed adds more cargo space). The vehicles are 221 in (5.61 m) to 223 in (5.66 m) in length and can be distinguished by the rear wheel area not touching the rear doors. Example vehicles include: – Chevrolet Suburban – GMC Yukon XL
Fifteen (15) Passenger Van	A large vehicle that is characterized by a large boxy appearance, short hood, and very heavy cargo / passenger hauling capacity. Vehicle features a power train, automatic transmission and rear wheel drive. Engine is 4/6-cylinder type. Typical wheel base dimensions are between 124 inches (3,149 mm) and 135 inches (3,429 mm). Example vehicles include: – Ford E-Series – GMC Savanna – Chevrolet Express
Full Size Pickup Truck	A large pickup truck suitable for hauling heavy loads and performing other functions. Most full-size trucks can carry at least 1,000 lb (450 kg) in the rear bed with some capable of over six times that much. Engine is 6/8-cylinder type. Typical wheel base dimensions are between 124 inches (3,149 mm) and 148 inches (3,759 mm). Example vehicles include: – Chevrolet Silverado – Ford F-Series – Nissan Titan – Toyota Tundra
Full Size Sedan	Passenger sedan vehicles usually having wheelbases greater than 110 inches (2,794 mm) and interior volume 120 cubic feet or greater. Engine is 6-cylinder type. Example vehicles include: – Ford Taurus – Chevrolet Impala – Honda Accord
Full-Size Sport Utility Vehicle (SUV)	Also referred to as a standard SUV. A vehicle similar to a station wagon, but built on a light-truck chassis, usually equipped with four-wheel drive for on- off-road ability, and with some pretension or ability to be used as an off-road vehicle. Engine is a minimum V-6/3.5L. Typical wheel base dimensions are between 116 inches (2,946 mm) and 119 inches (3,023 mm). Example vehicles include: – Chevrolet Tahoe – Ford Expedition – Toyota Land Cruiser
Government Dispatch Points	Located at any of the various sites as identified by the KO.

DEFINITIONS AND ACRONYMS

DEFINITION	DESCRIPTION
Medium Size Sedan	Passenger sedan vehicles usually having wheelbases between 105 inches (2,667 mm) and 110 inches (2,794 mm) and between 110 cubic feet (3.11 m^3) and 119 cubic feet (3.37 m^3) of interior volume. Engine is 4/6-cylinder type. Example vehicles include: – Toyota Camry – Ford Fusion – Chevrolet Malibu
Mid-Size Sport Utility Vehicle (SUV)	Also referred to as an intermediate SUV. A vehicle similar to a station wagon, but built on a light-truck chassis, may be equipped with four-wheel drive for on-off-road ability, and with some pretension or ability to be used as an off-road vehicle. Engine is a minimum V-6/3.5L. Typical wheel base dimensions are between 110 inches (2,790 mm) and 115 inches (2,916 mm). Example vehicles include: – Jeep Grand Cherokee – Ford Explorer – Toyota 4Runner
New Vehicle	Vehicles that are sold or provided in the current model year and have not been previously used by another party. They shall have less than 1000 kilometers on the odometer.
NTE	Not To Exceed.
Prepaid Parking Cards	Pre-paid cards which allow unrestricted parking in designated parking areas.
SALIK Fees	Toll Fees deducted from the vehicles' prepaid toll account using advanced Radio Frequency Identification technology.
Seven (7) Passenger Van	A mid-size vehicle that is characterized by a boxy appearance, short hood, and cargo / passenger hauling capacity. Usually distinguished by their smaller size and traditionally front wheel drive power train, although many now are being equipped with four wheel drive. These smaller vans offer similar seating capacity (traditionally seven to eight passengers), and better fuel economy than full-size vans, at the expense of power, cargo space, and towing capacity. Engine is 4/6-cylinder type. Typical wheel base dimensions are between 121 inches (3,073 mm) and 135 inches (3,429 mm). Example vehicles include: – Toyota Sienna – Ford Flex – Dodge Caravan – Kia Sedona – Nissan Quest
Thirty (30) Passenger Bus	Midibus, generally larger than a traditional minibus but smaller than a full-size single decker and can be anywhere between 26-feet 3-inches (8 meters) and 36-feet 1-inch long (11 meters), with 30-35 seats. Example vehicles include: – Toyota Coaster
