AMC 1. Suitable for competitive acquisition for the second or subsequent time.

AMSC B. This part must be acquired from a manufacturing source(s) specified on a source control or selected item drawing as defined by the current version of DoD-STD-100. Suitable technical data, Government data rights, or manufacturing knowledge are not available to permit acquisition from other sources, nor qualification testing of another part, nor use of a second source part in the intended application. Data review discloses that required data or data rights are not in Government possession and cannot be economically obtained.

This acquisition will be negotiated with: Carleton Technologies, Inc. (Cage Code 04577)/Stratus Systems Inc. (Cage Code 3AX04)

The articles to be procured are Ship Critical Safety Items and must meet operational and reliability requirements, in the achievement of which requires unique production techniques and extensive and/or sophisticated testing. This item is being procured utilizing a source control drawing (SCD).

6. DESCRIPTION OF EFFORTS MADE TO SOLICIT OFFERS FROM AS MANY OFFERORS AS PRACTICABLE:

The proposed contract action will be synopsized in the FedBizOpps website for government-wide point of entry on:

Jan 16, 2015

The following sources have expressed an interest in this acquisition: [redacted]

Market Research was conducted in accordance with FAR part 10. The results of the Market Research conducted (or the reason market research was not conducted) is as follows:

A technical review was completed by reviewing the Source Control drawing containing approved sources with the design activity and the results of previous market research for identical items to determine and identify all known sources on 27 OCTOBER 2014. The results of this review have determined that no new sources have expressed an interest in manufacturing this item.

7. DETERMINATION OF FAIR AND REASONABLE COST: The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:

Future requirements for this material will be evaluated to see if the material can be procured on a competitive basis. This item will be reviewed under the NSWC, IH EODTD Aviation and Ship Critical Safety Items program, as implemented by DFARS PGI 209.270-4. If a vendor is interested in manufacturing this item, they will be referred to NSWC, IH for further instructions.

9. REFERENCE TO THE APPROVED ACQUISITION PLAN:

An informal / formal acquisition plan is / is not required for this acquisition.
