REGIONAL CONTRACTING DEPARTMENT
FLEET AND INDUSTRIAL SUPPLY CENTER, PUGET SOUND
467 W STREET
BREMERTON, WASHINGTON 98314-5120

CONTROL NUMBER 2010-77

N00406-10-T-2153

**JUSTIFICATION AND APPROVAL
FOR SOLE SOURCE PROCUREMENT
Under Commercial Item Test Program FAR 13.5**

1. **Contracting Activity.**

Fleet and Industrial Supply Center, Puget Sound

2. **Description of Action Being Approved.**

Award of a contract on a sole source basis for acquiring an automated tool facility and portable asset dispensing device-in support of Puget Sound Naval Shipyard from WinWare, Inc.

3. **Description of Supplies/Services.**

Provide one each WinWare Cribmaster automated mobile tool facility with metal mount tags, RFID field brick scanner, slot reader, Version 7.6 Cribmaster administrative module software, and on-site installation and training for one day at PSNS. The total estimated price for the MTF is [redacted] (b) (5). Provide one each WinWare Cribmaster portable asset dispensing device (40' container that contains 224 bin locations monitored by scales, with infrared slot reader, Version 7.6 Cribmaster administrative module software, and on-site installation and training for one day at PSNS. The PADD is a complete turnkey mobile automated store room. The total estimated price for the PADD is [redacted] (b) (5). The total estimated amount for both systems is [redacted] (b) (5). This requirement is subject to availability of fiscal year 2010 O&MN funds.

4. **Statutory Authority Permitting Sole Source.**

- Section 4202 of the Clinger-Cohen Act of 1996 - a sole source acquisition under the authority of the test program for certain commercial items, as implemented by FAR 13.501(a).

5. **Rationale Justifying Use of Cited Statutory Authority.**

a. Navy policy requires the use of only Department of Navy Application and Database Management System (DADMS) approved

software to be installed on NMCI workstations. WinWare CribMaster radio frequency identification (RFID) Software is "Approved" in DADMS. Application is corporate-wide and being used in all four Naval Shipyards.

b. NAVSEA and the four naval shipyards have invested heavily in standardizing the use of WinWare RFID products and it would not be cost effective to have more than one company's systems with their associated RFID hardware and software, as well as required training, in operation at each shipyard. An additional software package would also require more infrastructure, e.g. servers, storage, etc., to support implementation.

c. The WinWare Cribmaster Mobile Tool Facility and Conex Box are automated and the bins operate on weight distribution. These bins and shelves are integrated as such with the WinWare proprietary software that inventory reports and management are supplied by the weight distribution programmed into the units. These bins already come installed and ready for programming from WinWare, and are required to be utilized with the WinWare proprietary software. The mobile tool facility trailer, PADD conex box, hardware, and software are an integrated RFID system but function independently of each other.

6. **Description of Efforts Made to Solicit Offers from as Many Offerors as Practicable.**

The proposed action will be synopsized on the NECO website. No additional market research was conducted because it is not practicable, for the reasons discussed in paragraph 5 above, for any company other than Winware to provide the required supplies and services.

7. **Determination of Fair and Reasonable Cost.**

The contracting officer has determined the anticipated cost to the Government of the supplies/services covered by this J&A will be fair and reasonable.

8. **Actions to Remove Barriers to Future Competition.**

For the reasons set forth in Paragraph 5, FISC Puget Sound as no plans at this time to compete future contracts for the types of supplies/services covered by this document. If another potential source emerges, FISC Puget Sound will assess whether competition for future requirements is feasible.

CERTIFICATIONS AND APPROVALS

CONTRACT SPECIALIST/NEGOTIATOR (NAVSUPINST 4200.83G)

[redacted] (b) (6)

Signature	Name (Printed)	Phone No.	Date
	Dianne L. Palmatier	360-476-0374	8/11/10

CONTRACTING OFFICER CERTIFICATION (FAR 6.303-2(a)(12) & 6.304(a)(1))

I certify that this justification is accurate and complete to the best of my knowledge and belief.
