18. *REQUIRED* - DESCRIPTION OF THE ITEM OF SERVICE REQUIRES

The requirement is for contractor support to provide 5 Charter Buses to support a port visit in Guam for the USS John C. Stennis. The 5 buses will provide a means of economic transportation for over 6K personnel to a geographical location that is limited on resources. The subject requirement provides the contractor to maintain a level of discretion and non-disclosure in order to prevent proliferation of mission requirements before and during execution.

19. *REQUIRED* - SPECIFIC CHARACTERISTICS OF THE MATERIAL OR SERVICE THAT LIMIT THE AVAILABILITY TO A SOLE SOURCE [UNIQUE FEATURES, FUNCTION OF THE ITEM, ETC.]. DESCRIBE IN DETAIL WHY ONLY THIS SUGGESTED SOURCE CAN FURNISH THE REQUIREMENTS TO THE EXCLUSION OF OTHER SOURCES

There is very limited availability on Guam for charter bus services as the port visit is coinciding with a current on island exercise. Extensive market research was conducted, and LAM LAM is the only vendor that has the availability to provide the additional 5 buses. All other buses have either been procured or obligated to other activities on island.

20. *IF APPLICABLE* – ☑ THE REQUESTED MATERIAL OR SERVICE REPRESENTS THE MINIMUM REQUIREMENTS OF THE GOVERNMENT. *[IF CHECKED, ENTER EXPLANATION OR MINIMUM REQUIREMENTS BELOW]*

The ship's initial requirement was for 40 charter bus rentals in Guam, but due to a conflicting exercise there is a very limited number of vendors that can provide services. The requirement was de-scoped due to the limited availability, and the additional 5 buses is the government's minimum requirement to meet the ship's capability to provide a port visit for over 6K personnel. Currently, an additional requirement for 18 buses is in the award process with FLCPH from other on island vendors (Detry, Kloppenburg/Dallas Ent) that can each provide a portion of these services. Using NAVFAC government buses, and the 18 buses to be awarded, and the additional 5 buses from LAM LAM, only 26 buses are available to meet the ship's requirement.

24. *OPTIONAL* - OTHER INFORMATION TO SUPPORT A SOLE SOURCE BUY:

The charter bus services is an urgent requirement for the ship. As the 40 required buses are not available, it is essential that all available buses are contracted to ensure the 6K ship personnel are provided a port visit. As a 9 month deployment is pending for the ship, this visit is critical for morale to ensure full support for their mission. There would be a very negative effect on mission if the ship personnel were not able to leave the ship due to a lack of charter bus availability.
