

N00604-16-T-3086, Water Tanks-Q&A #2

4. Some of the manufacturers are able to comply with most of the specifications, but not all. Would you still consider a bid if the bid doesn't have all the specs listed?

RESPONSE: No.

5. Would you still consider a bid if the bid was only quoting 4 new radial tires and wheels instead of 8?

RESPONSE: Yes, please see the revised synopsis-solicitation posted as Amendment 02.

6. The minimum capacity of 20,000 gallons appears high. Most manufactures are quoting around 17,000 - 18,000 gallons.

RESPONSE: Synopsis-solicitation has been revised to a minimum capacity of 17,000 gallons. Please see the revised synopsis-solicitation posted as Amendment 02.
