52.212-2 EVALUATION--COMMERCIAL ITEMS (JAN 1999)

The Government will award a Firm Fixed Price (FFP) contract resulting from this solicitation to the responsible vendor whose quote, conforming to the solicitation; will be most advantageous to the Government when price and other factors are considered. The following factors shall be used to evaluate proposals:

I) Technical
II) Price

I. TECHNICAL

1. Technical Acceptability- Technical acceptability will be determined based on an evaluation of the vendor's technical capability. The Government will evaluate each vendor's Written Technical submission Acceptable or Unacceptable .

Written Technical Submittal:

Acceptable:

Technical Capability demonstrates that the information proposed meets the Government's requirements as set forth in this Request for Quote.

Unacceptable:

Failing to provide any of the technical information and/or providing unclear or inadequate information proposed that does not meet the Government's requirements.

Note: ***If the Contracting Officer determines that a vendor's Written Technical Submission is "unacceptable," that vendor's entire submittal may be determined to be technically unacceptable and may no longer be considered for further competition or award.***

II. PRICE

Price proposals will be evaluated for price reasonableness.

For the purpose of preparing a price proposal, the offeror shall assume that the period of performance will be 12-months with four (4) 12-month option periods for the required services. The Government will evaluate the price proposal for the base period and each option period.

The Government may evaluate any and all information submitted by the vendor to support the reasonableness of prices proposed. The method of evaluation used by the Contracting Officer is solely within the discretion of the Contracting Officer.

Options will be evaluated pursuant to solicitation provision FAR 52.217-5, Evaluation of Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

SELECTION

(a) The Government intends to evaluate offers and award a contract using the procedures of FAR Subpart 13.106. The Government shall select the vendor whose quote represents the best value to the Government, considering price and technical when compared to other quotations. The Government also reserves the right to not award a contract if a contract award is not in the best interest of the Government.

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

System for Award Management (SAM). Quoters must be registered in the SAM database to be considered for award. Registration is free and can be completed on-line at http://www.sam.gov/.

All quotes shall include price(s), FOB point, a point of contact, name and phone number, business size, payment terms, written technical submission, and completed 252.209-7992 REPRESENTATION BY CORPORATIONS REGARDING AN UNPAID DELINQUENT TAX LIABILITY OR A FELONY CONVICTION UNDER ANY FEDERAL LAW—FISCAL YEAR 2015 APPROPRIATIONS (DEVIATION 2015-OO0005) (DEC 2014) (see Attachment III). Each response must clearly indicate the capability of the quoter to meet all specifications and requirements.
