   9.1 Access badges (Naval Base Coronado) Navy Commercial Access Control System (NCACS). Commander, Navy Installations Command (CNIC), has established the

Navy Commercial Access Control System (NCACS), a standardized process for granting unescorted access privileges to vendors, contractors, suppliers, and service providers not otherwise entitled to the issuance of a Common Access Card (CAC) who seek access to and can provide justification to enter Navy installations and facilities. Visiting vendors may obtain daily passes directly from the individual Navy Installations by submitting identification credentials for verification and undergoing a criminal screening/background check. Alternatively, if the vendor so chooses, it may voluntarily elect to obtain long-term credentials through enrollment registration, backing vetting, screening, issuance of credentials at the vendor's own cost through a designated independent contractor NCACS service provider. Credentials will be issued every five years and access privileges will be reviewed/renewed on an annual basis. The cost incurred to obtain Navy Installation access of any kind are not reimbursable, and the price(s) paid for obtaining long-term NCACS credentials will not be approved as a direct cost of this contract. Further information regarding NCACS can be found at:

9.2 Access badges (Naval Air Station, North Island (NASNI), PSNS&IMF Detachment). Upon contract award, employees or representatives of the contractor will require access to the PSNS&IMF Detachment at NASNI, and shall be admitted to the work site only after they have been issued a Security Pass/ID Badge. Persons who are currently on probation or parole from a felony conviction cannot qualify for a Security Pass/ID Badge and will be denied access to the facility. A request for Visitor Badge, PSNS Form 5512/127, completed by the contractor, and submitted by the Government POC (Daniel.cooper@navy.mil; 360-340-0867) to the Pass and I.D. Office, at least seven (7) business days before the badges are needed. Contractors, their sub-contractors and vendors requesting access to NASNI will be required to view an orientation videotape lasting approximately 30 minutes prior to receiving a badge. Each employee shall visibly display/wear the Government issued badge chest high over the front of their outermost clothing. It shall be the contractor's responsibility to collect and account for all Security Pass/I.D. Badges issued to their personnel upon termination of any employee, expiration of the badge, completion of the contract, or when access is no longer required. Badges, passes and permits shall be returned to the Pass and I.D. Office immediately. Contractors working within NASNI are required to be United States citizens and must show proof of citizenship prior to receiving a badge. Proof of U.S. citizenship shall be hand carried by the contract employee to the Pass and I. D. Office, when picking up the badge. Foreign Nationals (non U.S. Citizens) or persons affiliated with, or employed by, a foreign, or foreign owned company will not be granted access to NASNI PSNS Detachment without prior written approval from Commander, Naval Sea Systems Command (NAVSEA). Acceptable forms of proof are:
