**PRICE PROPOSAL FORM GENERAL NOTES:**

1. For CLIN 0001B, Unit price for providing all work in connection with obtaining and testing soil samples for Total Petroleum Hydrocarbons (TPH), Toxicity Characteristic Leaching Procedure (TCLP)-Metals and Benzene, Toluene, Methylbenzene, and Xylenes (BTEX), Extraction Procedure Toxicity (EPTOX) and Total Organic Halogen (TOX) on site to determine amount of petroleum saturated soils to be removed.
2. For CLIN 0001C, Unit price for all work in connection with petroleum saturated soil removal and disposal and clean imported select granular backfill. The price shall include removal, treatment, and disposal of petroleum saturated soils encountered within planned excavations at a permitted licensed disposal facility within a 50 mile radius of the project site and backfilling the excavation with compacted clean imported select granular backfill. Unit price shall include handling and transportation. The volume of material removed and imported backfill required shall be determined based on field measurements (length x width x depth) of the completed excavation to remove the petroleum saturated soil as approved by the Contracting Officer.
3. CLIN 0002 – Option 1, CLIN 0003 – Option 2, CLIN 0005 – Option 3, CLIN 0006 – Option 4, and CLIN 0007 – Option 5 may be exercised and awarded with Base Bid. If CLIN 0002, CLIN 0003, CLIN 0005, CLIN 0006 or CLIN 0007 are exercised, additional bonding and consent of surety will be required. Consequently, the Performance Bond shall reflect 100 percent of the aggregate amount of all items.
4. The Government reserves the unilateral right to award CLIN 0002, CLIN 0003, CLIN 0005, CLIN 0006 and CLIN 0007 to the contractor at the proposed price within 365 calendar days after the contract award. No provision is made for economic price adjustment. If CLIN 0006 is exercised, the contract completion date will be extended 180 calendar days from the contract completion date.
5. FAR 52.217-5, Evaluation of Options (JUL 1990) - Except when it is determined in accordance with FAR 17.206 (b) not to be in the Government's best interest, the Government will evaluate offers for award purposes by adding the price for the Options (CLIN 0002, CLIN 0003, CLIN 0005, CLIN 0006 and CLIN 0007) to the total price for CLIN 0001 and CLIN 0004. Evaluation of options will not obligate the Government to exercise the option (s).

6. The Government may reject an offer as nonresponsive if it is materially unbalanced as to prices for the basic requirement and the option quantities. An offer is unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated for other work.
  
7. Unit Prices: The total number of Soil Samples to be Tested and the Cubic Yards of Contaminated Soil to be removed and disposed will be selected by the Government. The unit prices provided will be the basis for the adjustment in accordance with Paragraph 1.4 "the contract price will be adjusted in accordance with the FAR 52.211-18, Variation in Estimated Quantity".
