- a. Check and fill in all that are applicable:

- The material or service must be compatible in all aspects (form, fit, and function) with existing systems presently installed. Describe the equipment you have now and how the new item/service must coordinate, connect, or interface with the existing system:

All components are provided by this source; therefore all the system components are compatible through fit form and function.

- A patent, copyright, or proprietary data limits competition. The proprietary data are described as follows:

All designs are held with the manufacturer and they hold the intellectual property rights.

- These are "direct replacement" parts/components for existing equipment.

The component sited in this contract is a direct replacement for the existing component.

Other information to support a sole-source buy:

The source provided is the prime vendor for this item.

CERTIFICATION

I certify that statements checked and information provided above are complete and correct to the best of my knowledge. I understand that the processing of this Sole-Source Justification precludes the use of full and open competition.
