

Questions and Responses to RFI M67854-10-I-6013

Release #1 - 13 Sept 2010

1. Are there special requirements for foreign nationals?

Foreign visitors will need to submit a formal visit request through their Embassy, which will then be routed via Headquarters Marine Corps to Marine Corps Systems Command International Programs and Program Manager Assault Amphibious Vehicle Systems (PM AAVS) for approval.

2. The current proposed date for the industry day falls during the Association of United States Army (AUSA) Annual Meeting (Oct. 25 - 27), has there been any discussion about moving the meeting to accommodate industry attendees?

The tentative date for the Industry Day is now October 28th to avoid conflict with the dates for AUSA. Detailed coordinating instructions for Industry Day will be provided on or about 5 October.
