

This is a Request for Information (RFI). There is no solicitation available at this time. Requests for a solicitation will not receive a response. Any information submitted by respondents in response to this request for information is strictly voluntary. This RFI does not constitute a Request for Proposals (RFP), nor does its issuance restrict the Government to any ultimate acquisition approach. The Government will neither award a contract solely on the basis of this notice, nor pay for any information that may be submitted by respondents to this RFI.

The NAVSUP Weapon Systems Support Mechanicsburg is issuing this Request for Information (RFI) in support of the Management Systems Support Division (MSSD), in seeking information on how an interested contractor could provide support to Naval Air Systems Command (NAVAIR) Depot Maintenance System (NDMS) Program Management Office (PMO).

The draft tasks for this requirement are attached. The information provided in response to this RFI shall include the following:

- Company profile/information
- Company's capabilities that demonstrate their ability to fulfill the requirements of the attached draft tasks.
- Company's proof of qualifications/experience as required in the attached draft tasks.

Questions should be submitted, in writing, to Lauren Johnson via e-mail at lauren.johnson@navy.mil by 4 pm EST 21 February 2013.

All responses should be submitted to Lauren Johnson via email or the NECO website by 6 pm EST 13 March 2013.
