AMC 3. Acquire, for the second or subsequent time, directly from the actual manufacturer.

AMSC B. This part must be acquired from a manufacturing source(s) specified on a source control or selected item drawing as defined by the current version of DoD-STD-100. Suitable technical data, Government data rights, or manufacturing knowledge are not available to permit acquisition from other sources, nor qualification testing of another part, nor use of a second source part in the intended application. Data review discloses that required data or data rights are not in Government possession and cannot be economically obtained.

This acquisition will be negotiated with: GENERAL DYNAMICS Cage 21562

The articles to be procured are complex and must meet operational and reliability requirements, the achievement of which requires unique production techniques and extensive and/or sophisticated testing. Suitable technical data, Government data rights, or manufacturing knowledge are not available to permit acquisition from other sources, this part must be acquired from manufacturing sources specified on a source control drawing.

6. DESCRIPTION OF EFFORTS MADE TO SOLICIT OFFERS FROM AS MANY OFFERORS AS PRACTICABLE:

The proposed contract action will be synopsised in the FedBizOpps website for government-wide point of entry on:

04/30/2015

The following sources have expressed an interest in this acquisition: None at this time

Market Research was conducted in accordance with FAR part 10. The results of the Market Research conducted (or the reason market research was not conducted) is as follows:

Market research was completed to determine and identify all known sources. NSWC IHEODTD Technology Development branch utilize vendor conferences, published lists of vendors, and past history to find new sources. No new sources were identified. The market research completed on February 20, 2015 determined that the Government does not own the data, and it is uneconomical to procure at this time. Material is determined to an Aviation (CSI) limiting source qualification.

7. DETERMINATION OF FAIR AND REASONABLE COST: The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:

There is currently one vendor that manufacture these parts. For reasons set forth in paragraphs 5&6, NSWC IHEODTD has no plans at this time to add additional sources for future contracts for the types of supplies covered by this document. If another potential source emerges, NSWC IHEODTD will assess whether competition for future requirements is feasible.

9. REFERENCE TO THE APPROVED ACQUISITION PLAN:

A formal acquisition plan is not required for this acquisition.
