## SECTION SF 30 BLOCK 14 CONTINUATION PAGE

**SUMMARY OF CHANGES**

## SECTION L - INSTRUCTIONS, CONDITIONS AND NOTICES TO BIDDERS

The following have been modified:

## Ddl-L26 TECHNICAL PROPOSAL – SPECIFIC REQUIREMENTS

The offeror's written technical proposal (Volume II) should address the following:

## (1) Technical/Management Approach

The technical proposal shall include the offeror's technical approach to re-host the Test Program Sets and meet the requirements of the Statement of Work. The proposal shall also include the offeror's management approach, proposed organization, corporate resources to be applied to the project (facilities, etc.), and specific quality assurance processes to be used throughout performance. The contractor shall include any subcontracting that is being proposed, and, if so, how the subcontractors would be managed by the offeror. The technical proposal shall also address business management aspects of the offeror's approach, such as progress reporting.

## (2) Staffing Matrix

The offeror shall provide a matrix demonstrating how proposed personnel are planned to support delivery of each CLIN. This matrix, when printed on 8.5" by 11" paper, shall be in a font size no smaller than 9 characters per inch and row and column headings shall appear on each printed page. The following information shall be graphically displayed:

Proposed individual's name

Proposed individual's labor category

Estimated hours for each CLIN

Responsibilities/Duties regarding statement of work

Years of experience on similar projects with L293 and S9100 units

Number of similar Test Program Set conversions they have accomplished

Resumes shall be provided as attachments to the technical proposal for individuals that the offeror deems critical to accomplishing the Statement of Work.

## (3) Schedule

The offeror shall provide a high-level schedule that includes incremental milestones for accomplishing CLINs 0001 through 0007. The offeror shall address lead time needs and schedule capacity for the Optional CLINs 0008 through 0019.

## (4) Past Performance

(a) The proposal shall contain information concerning the offeror's experience in performance of contracts for similar services of the variety and magnitude set forth in the RFP. This information should include data as to the scope of work required under such contracts, the term of those contracts, number and types of personnel furnished, the contracting agencies/offices that awarded the contracts, applicable contract numbers, and any other applicable information. Information regarding past performance may be obtained from several sources, as indicated below.

(b) Past Performance Reference List

(i) All offerors shall prepare and submit a Past Performance Reference List as part of the written Technical Proposal. The Past Performance Reference List shall contain the following information for each relevant contract completed within the last three years and those currently in progress:

(A) Contract Number

(B) Contract Amount/Value

(C) Description of Work Performed to include approximate number of direct man-years per year provided.

(D) Identification of the Statement of Work functional area(s) (e.g, C.xx -- XXXXX) for which the referenced contract demonstrates past performance.

(E) Note if performed as a prime or subcontractor

(F) RESERVED

(G) Name, address and phone number of the Contracting Officer and of the COR

(H) RESERVED

(ii) If submitting a proposal for subject acquisition as a prime contractor, the offeror is encouraged to include Past Performance reference(s) where they performed as a prime contractor. If subcontractors are proposed for subject acquisition, the offeror is encouraged to include Past Performance reference(s) where they, as the prime contractor, subcontracted a portion of the effort. Further, if subcontractors are proposed for this requirement, past performance references may be cited for current and previous customers of the proposed subcontractors.

(c) Contract Listed in CPARS. The Government intends to review Contractor Performance Assessment Reporting System (CPARS) data and other existing past performance rating on relevant contracts.

(d) Contracts Not Listed in CPARS - The Navy may follow up with references listed in Offerors' Past Performance Reference List if adequate information cannot be obtained from existing resources such as CPARS.

(e) All offerors may provide any other information regarding their past performance of contracts similar to the Government's requirement that they would like the Government to consider. Such information may be in the nature of :

(i) Additional information which the Government has readily available, for example, a synopsis of data in the CPARS system;

(ii) Information which the offeror considers essential to the Government's evaluation of Section M factors and/or subfactors; or

(iii) Explanatory information of substandard or poor performance and the corrective actions taken to prevent a recurrence.

(f) For offerors that are large businesses, the offeror shall provide a chart with narrative that provides the extent of prior use of small, small disadvantaged, and women-owned businesses as subcontractors. In addition, provide a copy of the SF294 for each contract listed in the Past Performance Reference List with a value in excess of \$500K. For completed contracts, provide the final SF294; for contracts in process, provide the SF294 for the latest reporting period.

(g) Past performance will be used as both an evaluation factor and as a source of information for a responsibility determination. Offerors that do not have relevant past performance may base the questionnaires on work performed by the proposed Key Personnel. Offerors are encouraged to provide information on problems encountered on the identified contracts and the offeror's corrective actions taken.
