Mfr. Address: 600 E Joppa Rd.  
Baltimore, MD 21286-5456

Dealer / Rep / Recommended source:

Dealer / Rep / Recommended source address / phone #:

Description of the item or service required, the estimated cost, and required delivery date.

The Superintendent of the United States Naval Academy (USNA) is tasked with hosting guests at a variety of official functions at the Buchanan House and occasionally at other venues. The USNA home football games will take place at the Navy-Marine Corps Memorial Stadium on the following dates: 05 September 2015, 19 September 2015, 03 October 2015, 24 October 2015, 31 October 2015, and 14 November 2015.

Two areas are set up for hospitality for each game; the Superintendent's VIP Tent and the Flag Bridge.

Catering support services are required for the 2015 home football games at the Navy-Marine Corps Memorial Stadium. The catering support services for each game shall include providing a full buffet, table linens, and table centerpieces.

Specific characteristics of the material or service that limit the availability to a sole source / brand name (unique features, function of the item, etc.). Describe in detail why only this suggested source / brand name can furnish the requirements to the exclusion of other sources / brands.

On 15 May 2012 Bo Brooks Restaurant & Catering negotiated an exclusivity agreement with the Naval Academy Athletic Association (NAAA) to provide all catering services in the stadium's west side venues, including the Flag Bridge and Superintendent's Tent. The negotiated agreement was a result of the NAAA's invitation for bids to provide food services in designated venues at the stadium. Therefore, no other vendor is authorized to provide the requested services.

CHECK & FILL IN ALL APPLICABLE BLANKS BELOW

The requested material or service represents the minimum requirements of the government.

The material/service must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing. Describe the equipment/function you have now and how the new item/service must coordinate, connect, or interface with the existing system.

A patent, copyright or proprietary data limits competition. The proprietary data is...

These are "direct replacements" parts/components for existing equipment.
