

JUSTIFICATION FOR SOLE SOURCE ACQUISITION

NNSY 4255/6 (Rev 10/88)

NOTE: This form is to be used to request a Sole Source Acquisition in accordance with Title 10 USC section 2304, CICA -- Public Law 98-369, FAR 6 and 13.106, and other implementing Acquisition Regulations. Contracting without providing for full and open competition shall not be justified on the basis of (1) lack of advanced planning or (2) concerns related to the amount of funds available (expiring funds), FAR 6.301(c). Statements such as "only known source" or "only known source which can meet the required delivery date" are inadequate and insufficient to support a Sole Source purchase, SUPAR 13.106(b)(2)(ii).

It is requested that the following JML(s)/NML(s) be restricted to the following manufacturer(s):

JML(s)/NML(s): 9791896RVC.F01.100 DOC 6047ZN01

Name and Div: JT SYSTEMS, INC. (CAGE 4T231)

City and State: Liverpool, NY

Competition is precluded for the following reason(s):

1. Only one responsible source and no other supplies or services will satisfy agency requirements. (FAR 6.302-1)

- a. Request is for unique supplies or services available from only one source or only one supplier with unique capabilities. (FAR 6.302-1 (b) (1)) For example: 1) An accessory or addition to existing equipment. 2) Replacement parts or components of equipment for which technical data is not available or adequate. 3) Must not be used for standard commercial products.

Provide the following:

What makes this material or service unique? Be specific!

The part requested is a direct replacement for existing shipyard equipment and JT Systems is the Original Equipment Manufacturers (OEM). The part requested is a "one for one" replacements for the PVG section of the Portable Radiological Vacuum Units (PRVUs) and must be procured from the OEM in order to fit properly. The OEM was the winner of a previous competitive bidding process for design and manufacture of the PRVU prototype of which this is a part/sub-assembly. Any other part not from the OEM would cause improper fit up of equipment thereby rendering the equipment inoperable and causing delays in vessels' scheduled work packages.

Make and model of equipment that parts, components, accessories, or additions are for.

Make: _____

Model: _____

- b. Manufacturer has possession of limited rights data, patent rights, copyrights, secret processes, license, etc. making the supplies or services available from only one source. (FAR 6.302-1(b) (2))

Legal Document Number: _____

Title: _____

Expiration Date: _____

- c. Equipment or parts have been adopted as Standard Items of Supply in accordance with the DOD Standardization Program (DOD 4120.3) (DFAR 6.302-1(c) (70)). Provide documentation for standardization.

Any additional justification/documentation should be attached with this form.
