

MEMORANDUM

RCP: N65888-1179-C179

Date: 23 June 2011

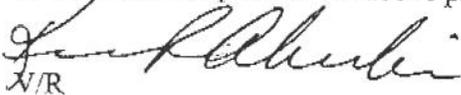

From: Kevin Abercrombie, Code 4L9

To: FISC Contracting Department Code 200

Subj: SOLE SOURCE JUSTIFICATION

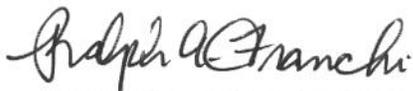

This justification seeks approval for sole source procurement for the on-site rebuild of the Schwien Manometer at SDB.

Schwien Engineering is the Original Equipment Manufacturer (OEM) for the above parts. The parts are proprietary to Schwien Engineering. They do not license their products to be produced by other manufacturers. The US Navy does not own the data rights and can not produced sufficient technical data to open up competition between other contractors. Based on the information there is no reasonable expectation of identifying other potential sources that can provide the above parts.
