

Statement of Work

Riverine Command Boat 3 Week Boat Familiarization Training with Operator, Equipment Maintenance (OEM) Vendor Support for

Coastal Riverine Group One and Coastal Riverine Squadron Three

Dated: April 27, 2016

1. Purpose

The objective of the Statement of Work is to acquire the (3) week Riverine Command Boat (RCB) Operator Familiarization and Maintenance Training for Coast Riverine Group One (CRG-1) Training and Evaluation Unit (TEU) and Coastal Riverine Squadron Three (CRS-3) in San Diego, CA.

2. Coastal Riverine Force

The Coastal Riverine Force is capable of providing 24-hour operations in all weathers and climates and provides port and harbor security, unit security and escort, surveillance and reconnaissance, insertion and extraction, and command and control. The primary purpose of the RCB includes patrolling, search and rescue, recover, personnel transport, and law enforcement.

3. Description

The contractor shall provide RCB training which covers basic maintenance (preventive and corrective) of engines, water jets, power generation, HVAC systems and Basic underway operations and trailering.

Definitions:

Preventive Maintenance: Maintaining equipment in satisfactory operating condition by providing for systematic inspection, detection, and correction of incipient failures before they occur or before they develop into major defects. Maintenance, including tests, measurements, adjustments, and parts replacement, performed specifically to prevent faults from occurring. The primary goal of maintenance is to avoid or mitigate the consequences of failure of equipment.

Corrective Maintenance: Maintenance task performed to identify, isolate, and rectify a fault relating to failed equipment, machine, or system in effort to restore it to an operational condition.

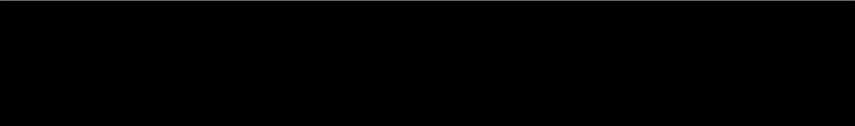

Contractor will provide Training material. Government (CORIVRON THREE) will provide (2) Riverine Command Boats and all safe to sail equipment. (CORIVGRU ONE TEU) will provide Classrooms and Boat maintenance facility with covered area in case of incumbent weather.
