

JUSTIFICATION FOR OTHER THAN FULL AND OPEN COMPETITION

Purchase Request No: N452011RCG

Department: **DIRECTORATE FOR DENTAL SERVICES**

POC/Tel. No:

Proposed Vendor: **OSTEOMED**

1. Description of the supplies and/or services required to meet the end-user's minimum needs:

-RESTORATIVE IMPLANT PARTS

2. Estimated value of the requirement:

3. Contractor's unique qualifications which make him/her the ONLY source that can truly satisfy the Government's minimum requirements:

-The current implant system being utilized by the Navy Dental Corps on USS vessels and FMF units, therefore we need to purchase from this vender alone in order to place and if necessary removed dental implants. The Navy is using one system to standardize the process across the board in order to ensure all commands can manage patients during and after the placement of dental implant.

4. Demonstration of the market search conducted appropriate to the size and complexity of the Government's minimum requirements. Include sources (in Government and industry) contacted and information obtained per source which further supports a sole source acquisition request:

-Surgical implant and powered surgical instruments delivers innovative, quality products that improve patient outcomes recovery and quality of life.

-Osteomed specialized in small bone reconstruction and trauma for surgical devices that target Oral Maxillofacial, Neuor, Plastic Reconstruction surgical specialties.

5. Other facts supporting the use of other than full and open competition:

- Items being requested are for a pre-existing system in the Command. Deviation from this path of care delivery at this juncture would be costly and inappropriate. The Command (NMCSO) has the same product and was purchased throught the same contractor, no extra training needed for our staff.

6. Statement of the actions that are being taken to remove or overcome any barriers to competition:
