

NOTICE OF INTENT

The Contracting Department, Naval Medical Center San Diego (NMCSD), San Diego, CA, 92134, intends to solicit this requirement as a firm fixed price contract for Commercial Items, utilizing Simplified Acquisition Procedures under FAR Part 13 and supplemented with the additional information included in this notice. A complete Solicitation/RFQ package (N00259-11-T-0238) will be available on or around April 19, 2011 by downloading the documents at the NECO Website as follows: <http://www.neco.navy.mil>. The North American Industry Classification System (NAICS) code for this acquisition is 339112; Size: 500. Offerors are hereby notified that the solicitation and subsequent amendments to the solicitation will ONLY be available for download at the above site; this office will no longer issue hard copy solicitations. By submitting an offer, the vendor is self-certifying that neither the requestor nor the principal corporate officials and owners are currently suspended, debarred, or otherwise ineligible to receive contracts from any federal agency. Failure to do so may represent grounds for refusing to accept the offer. By submission of an offer, the Offeror acknowledges the requirement that a prospective awardee must be registered in the CCR database prior to award, during performance, and through final payment of any contract resulting from this solicitation, except for awards to foreign vendors for work to be performed outside the United States. Lack of registration in the CCR database will make a contractor ineligible for award. Contractors may obtain information on registration and annual confirmation requirements by calling 1-888-227-2423, or via the Internet at <http://www.ccr.gov>.

IAW 52.211-6 Brand Name or Equal (AUG 1999), NMCSD requires the following items, Brand name or Equal to the manufacturer identified and have the pertinent and salient characteristics described below. Vendors quotes shall include documentation and literature specifying performance parameters of the product being offered to include; manufacturer name, part number, specifications. Further, Offerors proposing to furnish an "equal" product, in accordance with the "Brand Name or Equal" provision of the request for quotation, shall insert the following description for the product being proposed:

Bidding on: #0000000184282304: Zeiss OPMI VARIO 700 P&R XY with Wireless foot pedal,#3058709205000000: Superlux 300W Xenon with Automatic Lamp, Intergrated Medilive Trio SD (NTSC), #305870903500000000: Intergrated 17" inch TFT with Bracket and Carry Tray, #303760500000000000: Straight Binocular Tube F-170MM, #3055420000000000 Zeiss Widefield, Pish-In Eyepiece 10X, #00000010638690001 Zeiss Observation Tube, Stereo.

**CLIN 0001 Brand Name or Equal to Model : Zeiss OPMI VARIO 700 P&R with Wireless foot pedal
#3058709205000000 QTY 01 EA \$ _____**

Salient characteristics: A surgical microscope for multidisciplinary use. Suitable for spinal, ear, nose & throat(ENT), plastic & reconstructive (P & R) and cranial surgery. The microscope has a modular system that has a basic configuration available, allows for future upgrades and an interface for easy integration of conventional laser micromanipulators. And Cables and video accessories are featured and internalized into the chassis of the system.

Apochromatic optics: Motorized focus; working distance 200-500 mm, Motorized zoom; 1:6 zoom ratio; 10 x magnetic widefield eyepiece with integrated eyecups; 12.5 x magnetic widefield eyepiece with integrated; Speedfokus for automatic focusing(only with integrated video camera).

Illumination: Superlux 180 W Xenon light source, Superlux 300 W Xenon light source with automatic lamp exchange, Automatic Iris Control for adjusting the illumination to the field of view. Display of remaining lamp life time.

System setup: Manual balance with guidance via user interface ,Autobalance, AutoDrape-automatic air evacuation out of drape.

General video: Intergrated 17" digital display, Video SpeedFokus,-automated video focus,Adaptation of consumer(SLR) photo/video camera.

Standard-definition video: Integrated 3-CCD SD video camera, External recording devices.

Connectivity/Data management: Network connection via shared directory; Video-in for external SD video sources.

System operation: Multifunctional programmable handgrips; Magnetic clutches for all system axes, Central user interface; Overhead display for showing important system parameters; XY drive(variable speed); Wired foot control panel;Wireless foot control panel.

Accessories: 180 degree tiltable tube, focal length f=170mm; 180 degree tiltable tube, focal length f=200mm; Straight tube, focal length f=170mm; Stereo bridge for face to face operation; Interface for micromanipulator.

CLIN 0002 Brand Name or Equal to Model Zeiss Superlux 300W Xenon with Automatic Lamp: #305870920500000
QTY 01 EA \$ _____

Salient characteristics: Ultra-bright illumination providing the deepest surgical channels brightly illuminated. An equivalent second light source is automatically available, when a lamp exchange might be required. Length: 41.73MM, Watts: 300W, Voltage: 11.5-15.5V; Current: 13A-24A; Diameter: 32.94MM; Average Life: 1200 hours.

CLIN 0003 Brand Name or Equal to Model Integrated Medilive Trio SD (NTSC) QTY 01 EA \$ _____

Salient characteristics: 3-chip medilive trio Eye video camera built in to adapt to changing conditions during surgery with features designed for workflow optimization.

CLIN 0004 Brand Name or Equal to Model Integrated Integrated 17" inch TFT with Bracket and Carry Tray: #3058709035000000
QTY 01 EA \$ _____

Salient characteristics: Integrated built in 17" digital display monitor to view video and optical imaging with carry tray.

CLIN 0005 Brand Name or Equal to Model Zeiss Straight Binocular Tube F-170MM #3037605000000000
QTY 01 EA \$ _____

Salient characteristics: Straight Binocular F=170MM; 180 degree tiltable tube

CLIN 0006 Brand Name or Equal to Model Zeiss Widefield, Pish-In Eyepiece 10X #3055420000000000
QTY 01 EA \$ _____

Salient characteristics: 10X Pish In Eyepiece ; 10X Magnification Power. 10X magnetic widefield eyepiece with integrated eyecups.

CLIN 0007 Brand Name or Equal to Model Zeiss Observation Tube, stereo #00000010638690001
QTY 01 EA \$ _____

Salient characteristics: Stereo bridge for face-to-face operation and stereo co-observer to view through tube.

Delivery Date: 21 May 2011

Delivery Location: Naval Hospital Camp Pendleton, Material Management, Code 06B, Camp Pendleton, CA 92055

All responsible sources may submit a quotation in response to solicitation **N00259-11-T- 0238** which shall be considered by the agency. All quotes shall include price(s), FOB point, a point of contact, name and phone number, GSA contract number if applicable, business size, and payment terms. Each response must clearly indicate the capability of the quoter to meet all specifications and requirements.
