

## **NOTICE OF INTENT**

The Contracting Department, Naval Medical Center San Diego (NMCSD), San Diego, CA, 92134, intends to solicit this requirement as a firm fixed price contract for Commercial Items, utilizing Simplified Acquisition Procedures under FAR Part 13 and supplemented with the additional information included in this notice. A complete Solicitation/RFQ package (N00259-11-T-0250) will be available on or around April 22, 2011 by downloading the documents at the NECO Website as follows: <http://www.neco.navy.mil>. The North American Industry Classification System (NAICS) code for this acquisition is 423850, Size: 100. Offerors are hereby notified that the solicitation and subsequent amendments to the solicitation will ONLY be available for download at the above site; this office will no longer issue hard copy solicitations. By submitting an offer, the vendor is self-certifying that neither the requestor nor the principal corporate officials and owners are currently suspended, debarred, or otherwise ineligible to receive contracts from any federal agency. Failure to do so may represent grounds for refusing to accept the offer. By submission of an offer, the Offeror acknowledges the requirement that a prospective awardee must be registered in the CCR database prior to award, during performance, and through final payment of any contract resulting from this solicitation, except for awards to foreign vendors for work to be performed outside the United States. Lack of registration in the CCR database will make a contractor ineligible for award. Contractors may obtain information on registration and annual confirmation requirements by calling 1-888-227-2423, or via the Internet at <http://www.ccr.gov>.

IAW 52.211-6 Brand Name or Equal (AUG 1999), NMCSD requires the following items, Brand name or Equal to the manufacturer identified and have the pertinent and salient characteristics described below. Vendors quotes shall include documentation and literature specifying performance parameters of the product being offered to include; manufacturer name, part number, specifications. Further, Offerors proposing to furnish an "equal" product, in accordance with the "Brand Name or Equal" provision of the request for quotation, shall insert the following description for the product being proposed:

**Bidding on: 24" x 24" Dura-Star Coreless High Density Roll Liners with Star Seal Bottoms #704513, 42" x 48" Dura-Star Clear Low Density Roll Liners with Seal Bottoms #702520, 12" x "12.5 Wet Task Hydroknit Wipers #06001.**

**CLIN 0001 Brand Name or Equal to Model : WAXIE 24"x24" Dura-Star Coreless High Density Roll Liners with Star Seal Bottoms. #704513(80 CS to be delivered in 13 shipments on a 14 day schedule until order is completed). QTY 1,040 CS \$ \_\_\_\_\_**

**Salient characteristics:** Star Seal bottoms. Designed without gussets, Star Seal eliminates gas along the seal where leaks can occur. A high Density roll liner allows the bag to adjust easily and conform to the shape of the container and distribute refuse weight evenly inside the bag. Star Seal liners maximize the bags carrying capacity and will virtually eliminate leaks.
