

6. **FEDERAL BUSINESS OPPORTUNITIES/POTENTIAL SOURCES:** The proposed contract was/will be synopsisized in the FedBizOpps website for government wide point of entry.

7. **DETERMINATION OF FAIR AND REASONABLE COST:** The contracting officer determines that the anticipated cost to the Government will be fair and reasonable. In instances when certified cost and pricing are required, an analysis of cost information will be performed which will consider field pricing reports, commerciality, procurement history and other available cost and pricing information in determining reasonableness. Certified cost and pricing data will be obtained and used to ensure reasonableness, completeness and realism of proposed costs as required.

8. **DESCRIPTION OF MARKET SURVEY:** A technical review has been made to determine and identify all known sources.

9. **ANY OTHER SUPPORTING FACTS:**

The articles to be procured are complex and must meet critical operational and reliability requirements, the achievement of which requires unique production techniques and extensive and/or sophisticated testing, and the government has not yet acquired or developed the technical data.

10. **LISTING OF INTERESTED SOURCES:** The following sources have expressed, in writing, an interest in this acquisition.

None

11. **ACTIONS TO REMOVE BARRIERS TO COMPETITION:**

The NAVSUP Weapon Systems Support (WSS) has completed a full screen review on the 15 subject items. The AMC/AMSC is "3H" with Rolls-Royce (63005) as the only approved source of supply. No other sources have expressed an interest in manufacturing the 15 subject items to the Source Development Department. The 15 subject items are considered critical to safety of flight, therefore, other sources must obtain engineering source approval prior to contract award. The NAVSUP Weapon Systems Support (WSS) will continue to encourage manufactures with the expertise to manufacture the 15 subject items to submit a complete technical data package for review and source approval by the appropriate engineering source approval authority. Future requirements will be advertised in the FedBizOpps website (www.fedbizopps.gov) and the NAVSUP Weapon Systems Support (WSS) Buy Requirements Listing in order to encourage potential suppliers to submit Source Approval Requests.
