The subject item is considered critical to safety of flight: therefore, additional sources must obtain engineering source approval prior to contract award. NAVICP will continue to encourage manufacturers with the expertise to manufacture the subject item to submit a complete technical data package for review and source approval by the appropriate engineering source approval authority, namely, NAVICP, NADEP or NAVAIR. Future requirements will be advertised in the FedBizOpps website (www.fedbizopps.gov) and the NAVICP Buy Requirements Listing in order to encourage potential suppliers to submit Source Approval Requests.
