

NAVSUP Weapon Systems Support (NAVSUP WSS) Philadelphia is seeking eligible contractors capable of providing support for the parts identified within this announcement under a Performance Based Logistics (PBL) contract type. The contract may require reliability sustainment and/or improvements as well as meeting established Supply Response Time (SRT) metrics. Through repair/replacement decisions, reliability oversight, and inventory, configuration & obsolescence management the contractor will meet the SRT metrics. The contractor will also be required to partner with organic depots such as FRC-E (Cherry Point) and to execute Commercial Services Agreements.

The applicable North American Industry Classification System (NAICS) code assigned to this procurement is 336413.

The maximum period of performance for this effort is five (5) years. For this procurement the Government intends to solicit and negotiate with only one source under the authority of 10 U.S.C. 2304 (c)(1), as implemented by FAR 6.302-1, Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements. This effort is in support of the H-1 Platform. The government does not possess the data necessary to perform the requirements under this contract.

One or more of the items under this acquisition is subject to the Free Trade Agreements Act and/or the World Trade Organization Government Procurement Agreement and Free Trade Agreements.

All responsible sources may identify their interest and provide capability statements in response to this notice. This notice of intent is not a request for competitive proposals. However, all responses received within 15 days after date of publication of this sources sought notice will be considered by the Government. A determination by the Government not to compete this proposed contract based upon responses to this notice is solely within the discretion of the Government. Source Approval is required. WSS will not delay award while Source Approval is pending.

The time required for approval of a new source is normally such that an award cannot be delayed pending approval of a new source. If you are not an approved source you must submit, together with your response, the information detailed in the NAVSUP-WSS Source Approval Information Brochure for Repair. Additional information for submitting a Source Approval Request package can be obtained at: [https://www.navsup.navy.mil/navsup/ourteam/navsupwss/business\\_opp](https://www.navsup.navy.mil/navsup/ourteam/navsupwss/business_opp).
