RMC 3. Repair, for the second or subsequent time, directly from the actual manufacturer.

RMSC C. This part requires engineering source approval by the design control activity in order to maintain the quality of the part. Existing unique engineering skills, and repair knowledge by the qualified source(s) require repair of the part by the approved source(s). The approved source(s) retain repair knowledge, or technical data that are not economically available to the Government, and the data or knowledge essential to maintaining the quality of the part. An alternate source must qualify IAW the design control activity's procedures, as approved by the cognizant Government engineering activity. The qualification procedures must be approved by the Government engineering activity having jurisdiction over the part in the intended application.

This acquisition will be negotiated with: PROJECTS UNLIMITED INC (04597)

Projects Unlimited Inc. is the only approved repair source at this time for the AWIRT ASSY used on the UH-1Y Helicopter. The articles to be repaired are highly specialized parts, designed and manufactured by a non-government activity. Available data including all depot level repair publications, supporting test equipment, drawings and specifications required to repair the subject item has not been found adequate to support full and open competition. Technical data required for repair by other than Projects Unlimited Inc. is not economically available to the Government. Additionally, this item is a Critical Application Item (CAI) any additional sources require engineering source approval.

6. DESCRIPTION OF EFFORTS MADE TO SOLICIT OFFERS FROM AS MANY OFFERORS AS PRACTICABLE: The proposed contract action was synopsisized and included a Sources Sought Notice on the FedBizOpps website for government-wide point of entry on

Sources Sought Notice issued 11/4/2015, Synopsis issued 11/5/2015

and as a result:

no other sources have expressed an interest in this acquisition.

Market Research was conducted in accordance with FAR part 10. The results of the Market Research conducted (or the reason market research was not conducted) is as follows:

The subject item is a Critical Application Item (CAI), all alternate sources must qualify IAW the design control activity's procedures, as approved by NAVAIR prior to contract award. Available data including repair manuals, supporting test equipment, associated drawings and specifications required to repair the subject item are not available from other than the current approved source PROJECTS UNLIMITED INC (04597). No other sources have currently expressed an interest in becoming an approved repair source for the subject item to the Source Development Department.

7. DETERMINATION OF FAIR AND REASONABLE COST: The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:

For reasons set forth in Paragraphs 5&6 NAVSUP WSS has no plans at this time to compete future contracts for the types of supplies/ services covered by this document. If another potential source emerges, NAVSUP WSS will assess whether competition for future requirement is feasible.

9. REFERENCE TO THE APPROVED ACQUISITION PLAN:

An Pre-Solicitation Strategy Form is required for this acquisition.
