

JUSTIFICATION FOR SOLE SOURCE (Simplified Acquisitions <\$150K)

The service or material listed on R3301114RCD0047 is sole source and competition is precluded for reasons indicated below. There are no substitutes available for this material or service.

**Restricted to the following source.** Provide *original manufacturer's* name. (If a sole source manufacturer distributes via dealers, *ALSO* provide dealer information.)

Manufacturer: **Hologic, Inc.**

Manufacturer POC & phone no. Technical Rep / **(877) 371-4372**

Mfr. address **35 Crosby Drive, Bedford, MA 01730**

Dealer / Rep **Hawaii Pacific X-Ray Corporation /** [REDACTED]

Dealer / Rep address / phone nr. **3375 Koapaka Street, Suite D140, Honolulu, HI 96819 (808) 591-9303**

XX Description of the item or service required, the estimated cost, and required delivery date.

**Annual preventive maintenance and servicing of Radex Hologic DR X-ray system, 1 Mobile way float radiography table, and 1 Catena Scanner Viewer and Gateway Estimated cost-** [REDACTED] **(one year preventive maintenance service agreement) Estimated Required Delivery Date: 02 January 2014.**

XX Specific characteristics of the material or service that limit the availability to a sole source (unique features, function of the item, etc.). Describe in detail why only this suggested source can furnish the requirements to the exclusion of other sources.

**Hawaii Pacific X-ray Corporation provides all required and necessary maintenance and servicing for the Hologic X-ray system to include one mobile 4-way radiography float table, and 1 Catella Scanner. Hawaii Pacific X-ray Corporation has serviced this unit this past year and is very familiar with the type of system that is currently in place and therefore as a result provides the necessary service to be able to keep the Hologic x-ray system up and running with minimal delays.**

**Hawaii Pacific X-Ray has provided in the past (and honors) any warranty servicing agreements (faulty equipment, replacement parts, etc.) that may be in place and is the only licensed corporation that possess highly trained service technicians familiar with the type of system (Hologic x-ray) the CIL currently has in place. No other licensed corporations are currently available to effectively service and maintain the current Hologic X-ray system that Hawaii Pacific X-ray Corporation may provide.**

X The requested material or service represents the minimum requirements of the government:

**The requested service meets the minimum requirement to keep this equipment up and running regularly which in-turn enhances the ability to process and identify human remains from World War II, Korea, and Southeast Asian conflicts (Vietnam, Laos, Cambodia) which is the CIL's primary mission.**

CHECK & FILL IN ALL APPLICABLE BLANKS BELOW

XX The material/service must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing. Describe the equipment/function you have now and how the new item/service must coordinate, connect, or interface with the existing system.

**This type of equipment serves as an enhancement to the identification process of remains from World War 2, Korea, and the Southeast Asian (Vietnam, Laos, Cambodia) conflict for the CIL's primary mission.**

\_\_\_ A patent, copyright or proprietary data limits competition. The proprietary data is \_\_\_\_\_

---

---

---

---

\_\_\_ These are "direct replacements" parts/components for existing equipment.

XX Other information to support a sole source buy:

**Hawaii Pacific X-Ray Corporation has the type of equipment and personnel who are familiar with CIL's Hologic X-ray system and are able to provide the most efficient service available to ensure complete operational capacity for this type of equipment in the most reliable manner.**

I CERTIFY THAT STATEMENTS CHECKED, AND INFORMATION PROVIDED ABOVE, ARE COMPLETE AND CORRECT TO THE BEST OF MY KNOWLEDGE. I UNDERSTAND THAT THE PROCESSING OF THIS SOLE SOURCE JUSTIFICATION PRECLUDES THE USE OF FULL AND OPEN COMPETITION.
