

The NAVSUP Fleet Logistics Center Pearl Harbor Regional Contracting Department is issuing this Sources Sought as a means of conducting market research to identify if there are any small business 'manufacturers' who can provide similar Video Teleconferencing equipment (see list below) in support a requirement for Navy Expeditionary Combat Command Pacific (NECCPAC). The Nonmanufacturer Rule (NMR) applies to this requirement in accordance with FAR 19.001.

THIS IS NOT A SOLICITATION. This request for information does not constitute a request for quote and the government assumes no financial responsibility for any costs incurred.

Based on the responses to this sources sought notice, this requirement may be set-aside for small businesses or procured through full and open competition.

Submission Instructions: Interested small business manufacturers who consider themselves qualified are invited to submit a response to this Sources Sought Notice by 11 August 2016 at 3:00pm Hawaiian Standard Time (HST). Please provide the name of your company, cage code so we can check your sam.gov registration, and a complete listing of all products you can provide which are manufactured by small businesses. All responses must be emailed to donna.franzese@navy.mil.
