

The Naval Facilities Engineering Command Europe Africa Southwest Asia (NAVFAC EURAFSWA), Naples, Italy plans to issue a Best Value Request for Proposal that will result in the award of a Job Order Contract for Naval Air Station Sigonella, Sicily, Italy. This notice does not constitute a request for proposal, request for quote, or an invitation for bid.

The Job Order Contract (JOC) will provide for all labor, material, equipment, and other incidental work required to perform renovation, repair, maintenance, replacement, alteration, demolition, and NAVFAC construction categories II, III, and IV services on a requirements basis at locations serviced by Naval Facilities Engineering Command Europe Africa and Southwest Asia (NAVFAC EURAFSWA), Naval Air Station Sigonella, Sicily, Italy. Projects that require a professional engineer's stamp can be included under this contract.

There will be a minimum guarantee of \$5,000 for this contract. The contract duration consists of a one-year base period and four (4) one-year option periods for a maximum quantity of sixty (60) months, or a total aggregate maximum of \$15,000,000 for all JOC task orders, whichever comes first. There is no yearly limit except for the Not-To-Exceed (NTE) of five (5) years or \$15,000,000. Options will be awarded at the sole discretion of the Government.

The basic contract line item will be a pre-established price coefficient. R.S. MEANS cost workbooks are the basis for pricing task orders under this contract. The Contracting Officer, on a firm fixed-price basis, will award task orders with a task order minimum of \$3,000 and a task order maximum of \$1,000,000. However, task orders under or over these amounts may be considered if deemed to be in the Government's best interest and approved by the NAVFAC EURAFSWA Chief of Contracts Office.

The procurement method will be contracting by negotiation, best value source selection. The solicitation utilizes source selection procedures, which require offerors to submit a technical proposal, past performance, and price proposal for evaluation by the Government.

The NAICS Code for this procurement is 236220.

The solicitation as well as all notices/amendments related to this solicitation will be posted to the European Navy Electronic Commerce Online (EuroNECO) website (<https://euro.neco.navy.mil>) on or about 21 June 2013. All documents published in EuroNECO will be transmitted to the Navy Electronic Commerce Online (NECO) website at <https://www.neco.navy.mil> and the Federal business Opportunities website at www.fbo.gov. All interested firms must be registered on the EuroNECO, NECO, or FBO websites in order to obtain the solicitation documents and all information regarding the solicitation. Hard copies of the solicitation will not be provided.

It is the responsibility of the offeror to check the website daily for any updates/amendments. Prospective offerors will have access to the solicitation at the EuroNECO/NECO/FBO web sites by searching for the solicitation number, N3319113R0819 (no hyphens). Offerors are encouraged to check the EuroNECO/NECO/FBO web sites frequently in order to be notified of any changes to the solicitation. If you register for this solicitation, you will receive a courtesy e-mail notifying you of all amendments for this solicitation that are posted on the website. Registration for this solicitation however does not release the offeror from the responsibility of checking the solicitation daily for amendments.

All offerors must be registered in the System for Award Management (SAM) website (<https://www.sam.gov>) to be considered for award of any United States of America, Department of Defense contract.

In order to register in SAM, offerors must have a Dun and Bradstreet (DUNS) Number, located at <http://fedgov.dnb.com/webform> and a Commercial and Government Entity (CAGE) Code (U.S. firms) or a NATO Commercial and Governmental entity (NCAGE) Code (foreign firms), located at http://www.dlis.dla/Forms/Form_AC135.asp. The SAM requirement applies to all contract awards, regardless of the country where the work is performed. It is highly encouraged for prospective offerors to begin the SAM registration process as early as possible.
