

The intent of this notice is to identify potential sources capable of performing these services. If interested in this opportunity, please provide via email the following form:

1. Confirm your company is registered in www.sam.gov (provide CAGE code or DUNS number) and can operate under NAICS Code 562119 – Other Waste Collection.

2. Does your company regularly engage in the business of providing Oil and Hazardous Substance Spill Services? ___ Yes ___ No

2(b) If so, please list the specific types of tasks/services provided.

2(c) How long has your company provided these types of services?

3. Please list any contracts/agreements your company is currently performing, or have completed within the last three years, that would be considered the same as/similar to Oil and Hazardous Substance Spill Services. Include contract/agreement number, title, type, annual award amount, final contract amount and references with name and phone number.

4. Has your company performed work in this geographic area (e.g. Arabian Gulf, Red Sea, Gulf of Oman areas of Middle East Countries) and is your company familiar with the demographic, economic and labor profiles of the area?
