**Anticipated Date of Award:**

The Government anticipates an award will be made on or about 30 August 2016.

This requirement will be solicited using commercial items procedures under FAR Par 12 and competitive negotiation procedures under FAR Part 15 under the North American Industry Classification System (NAICS) Code 532112. The Government intends to awards one (1)

combination of Firm Fixed Price/Indefinite Delivery/Indefinite Quantity contract. Award will be made to the responsible offeror whose proposal, conforming to the RFP, will be most advantageous to the Government resulting in selection of the lowest price technically acceptable factor.

In accordance with FAR 52.217-5, Evaluation of Options, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

The Government intends to post all notices/amendments related to this solicitation on the European Navy Electronic Commerce Online (EuroNECO) website at <https://euro.neco.navy.mil>. All documents published in EuroNECO will be transmitted to the Navy Electronic Commerce Online (NECO) at <https://www.neco.navy.mil> and Federal Business Opportunities at [www.fbo.gov](http://www.fbo.gov). All interested firms must be registered on the EuroNECO, NECO, or FBO websites in order to obtain the solicitation documents and all information regarding the solicitation.

Hard copies of the solicitation will NOT be provided. It is the responsibility of the offeror to check the website daily for any updates/amendments.. Prospective offerors will have access to the solicitation at the EuroNECO/NECO/FBO websites by searching for the solicitation number N3319116R1611 (no hypens). Offerors are encouraged to check the EuroNECO/NECO/FBO websites frequently in order to be notified of any changes to this solicitation. Offerors who register for this solicitation, will receive a courtesy email notifying them of all amendments for this solicitation that are posted on the website. Registration for this solicitation, however, does not release the offeror from the responsibility of checking the solicitation daily for amendments.

All offerors must be registered in the System for Award Management (SAM) [www.sam.gov](http://www.sam.gov) to be considered for award of any United States of America Department of Defense contract. In order to register in SAM, proposers must have a Dun and Bradstreet (DUNS) Number from <http://fedgov.dnb.com/webform> and a Commercial and Government Entity (CAGE) Code (U.S. firms) or a NATO Commercial and Governmental Entity (NCAGE) code (non-U.S. firms) from [http://www.dlis.dla.mil/Forms/Form\\_AC135.asp](http://www.dlis.dla.mil/Forms/Form_AC135.asp). The SAM registration requirement applies to all contract awards, regardless of the country where the work is performed. It is highly encouraged for prospective proposers to begin the SAM registration process as early as possible.

The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered.
