

DEPARTMENT OF THE NAVY
NAVFAC WASHINGTON
NSF INDIAN HEAD, MD

JUSTIFICATION AND APPROVAL FOR OTHER THAN FULL AND OPEN
COMPETITION (10 U.S.C. 2304(c)(2):
SOLE SOURCE/UNUSUAL AND COMPELLING URGENCY ACQUISITION OF "NDW
FIRE AND EMERGENCY SERVICES"

1. Contracting Organization:

Naval Facilities Engineering Command
Washington-South Potomac
Public Works Department, Site Indian Head
Indian Head, Maryland 20640

2. Description of Action:

This request is to obtain authority to use other than full and open competition by awarding a contract to Atlantic Emergency Solutions. This requirement is necessary to provide expedited replacement of the wheels and tires on two 2012 Ford F-550 4X4 Brush Trucks, in order to place the emergency vehicles back in service for NDW Fire & Emergency Services at NSF Indian Head, MD.

3. Description of Supplies/Services:

NAVFAC Washington, South Potomac, Indian Head, requests authority to award a contract on a sole source basis for expedited repairs on two 2012 Ford F-550 for NDW Fire and Emergency Services at NSF Indian Head, MD. Listed below are the services required:

- 1 – Eight special order wheels 19.5x8.25
- 2 – Eight Flat black powder Coating.
- 3 – Eight 2.4" straight valve w/grommet for 9.7 valve hole
- 4 – Four 45 deg. Valve extensions.
- 5 – Eight Toyo M608Z/285/70R19.4 Load range H-16-ply rated tires.
- 6 – Eight Mount and balance.
- 7 – Shipping

Due to the fulfillment of life safety requirements for NDW Fire & Emergency Services at NSF Indian Head, we are fast approaching a critical level with this issue and need to have it resolved.

4. Identification of Statutory Authority:

The statutory authority permitting other than full and open competition is Unusual and Compelling Urgency, [10 U.S.C. 2304\(c\)\(2\)](#) or [41 U.S.C. 253\(c\)\(2\)](#). Guidance regarding use of this authority is at FAR 6.302-2 (b) (1-2) "This authority applies in those situations where

- (1) An unusual and compelling urgency precludes full and open competition; and
- (2) Delay in award of a contract would result in serious injury, financial or other, to the Government.”

5. Determination for Other Than Full and Open Competition:

The ability to award to an approved certified provider in a timely manner is to ensure the continued operations of the Fire and Emergency services that NDW provides to NSF Indian Head installation. Delays in operations may result in the inability to use this critical resource for emergency responses.

6. Determination of Fair and Reasonable Cost

The NAVFAC Washington, South Potomac, Site Indian Head, Contracting Officer will determine fair and reasonable cost based on historical information and the independent government estimate.

7. Market Research:

A market survey was not conducted because of the time restraint imposed by the need for continuous access to Fire and Emergency Services resources.

8. Other Supporting Facts:

Delays in performing repairs on brush trucks may result in the inability to use this critical resource for emergency services.

9. Other Interested Sources:

Since the current supplier is the company capable of providing the service and supplies, no other firms will be solicited.

10. Future Actions:

No future actions should be required.

11. Period of Performance:

The work is expected to take 12 weeks.

14. Total Estimated Dollar Value:

\$8,999.96 total cost.

15. Acquisition Plan:

Award sole source SAP to Atlantic Emergency Solutions.
