

**SOURCES SOUGHT NOTICE**  
**REGIONAL HAZARDOUS WASTE MANAGEMENT SERVICES**  
**1 July 2010**

The Department of Navy, Naval Facilities Engineering Command (NAVFAC) Washington is interested in gaining knowledge of all potential qualified set aside candidates, Small Business, 8(a), HUBZone, and Service Disabled Veteran-Owned Small Business firms capable of performing the following work:

The Contractor shall provide all labor, management, supervision, tools, material, supplies, vehicles, and equipment required to perform environmental services including but not limited to hazardous waste management and operations within the National Capital Region, which includes, but are not limited to, hazardous waste management operations, watch-standers for specific Navy sites, spill containment / spill control materials cleanup and removal, and hazardous material (HM) / hazardous waste (HW) / regulated waste (RW) transport.

The work under this contract will be performed predominately in the Navy activities in support of the Commander, Navy Installations Command (CNIC), within the National Capital Region including but not limited to: The Washington Navy Yard, Washington, DC; National Naval Medical Center (NNMC), Bethesda, MD; Naval Support Facility (NSF) Anacostia, Washington, DC; NSF Naval Observatory, Washington, DC; NSF Suitland, MD; NSF Arlington, VA; Washington Headquarters Services – Pentagon, VA; NSF Carderock, MD; Naval Air Station Patuxent River, MD; NSF Indian Head, MD; NSF Dahlgren, VA; NSF Stump Neck, MD; NSF Webster Field, MD; NSF Solomon's, MD; and NSA Annapolis, MD.

The North American Industry Classification Standard (NAICS) Code for this project is 562112 with a corresponding size standard of \$12.5 million.

All Small Businesses as stated above are encouraged to respond to this Sources Sought Notice. Contractors are reminded that “THIS SOURCES SOUGHT IS NOT A REQUEST FOR PROPOSAL.” The purpose of this Sources Sought Notice is to gain knowledge of potential qualified small business sources capable of performing the described work. Responses to this Sources Sought Notice shall not constitute responses to solicitation, which is not currently available. As stipulated in FAR 15.201, responses to this notice are not considered offers and cannot be accepted by the Government to form a binding contract. The Sources Sought Notice is not to be construed as a commitment by the Government, nor will the Government pay for the information submitted in response. Respondents will not be notified of the results of any government assessments. The information received will be utilized to assist in formulating the acquisition. No proprietary, classified, confidential, or sensitive information should be included in your response.

It is requested that interested businesses submit to the contracting office a brief capabilities statement package, no more than 15 pages in length including all attachments, resumes, charts, etc. (single-spaced, 12-point font minimum) that clearly details the firm's ability to perform the aspects of this notice described above. The package must include the following: (1) Relevant Experience to include experience in performing efforts of similar size, scope and complexity within the last three years, including contract number, indication whether a prime or subcontractor, contract value, Government/Agency point of contact and current telephone number; and a brief description of how the contract(s) referenced relate(s) to the technical services described herein including the equipment used to perform the work; and (2) Company Profile to include certifications, number of employees, office location(s), DUNS number, CAGE code, and a statement regarding small business designation and status.

The deadline for receipt of this capabilities statement package is 3 August 2010 at 14:00. The package may be mailed to: Naval Facilities Engineering Command Washington, 1314 Harwood Street, S.E., Bldg. 212, Washington Navy Yard, D.C. 20374-5018, ATTN: Ms. Roya Sterner, Contracting Specialist; or submitted by email to [roya.sterner@navy.mil](mailto:roya.sterner@navy.mil). If you have any questions or comments, please contact Roya Sterner at Tel. 202-685-8020.
