

All personnel responsible for developing, reviewing and approving a single source determination shall ensure that sound business judgment is applied in researching, documenting and approving such actions.

The rationale for a single source determination is not constrained by this form. If filled out electronically, the form will expand to the written narrative. If not available electronically, the drafter shall attach continuation sheets to ensure rationale is fully supported.

SIMPLIFIED ACQUISITION PROCEDURES (SAP) SINGLE SOURCE DETERMINATION FOR ACQUISITIONS NOT EXCEEDING THE SIMPLIFIED ACQUISITION THRESHOLD AS DEFINED IN FAR 2.101			
SOLICITATIONS MAY BE LIMITED TO ONE SOURCE ONLY IF THE CONTRACTING OFFICER (<i>within its warrant authority</i>) DETERMINES THAT ONLY ONE SOURCE IS AVAILABLE IAW FAR 13.106-1(b). THIS DETERMINATION SHALL BE SUPPORTED WITH FULL JUSTIFICATION FOR SINGLE SOURCE FROM THE CUSTOMER. THE CUSTOMER SHALL PROVIDE THE FOLLOWING INFORMATION:			
QUOTE/SOLICITATION NUMBER: To-Be-Determined			
ESTIMATED AMOUNT (Not exceeding \$150,000): \$25,705			
DESCRIPTION OF SUPPLIES OR SERVICES REQUIRED AND THE INTENDED USE: In accordance with FAR 6.302-1 "only one responsible source" this J & A requests authority to procure a contract for Post Construction Award Services (PCAS) for Site Prep for DASR Install at MCAF to the firm Clark Nexsen.			
UNIQUE CHARACTERISTICS THAT LIMIT AVAILABILITY TO ONLY ONE SOURCE, WITH THE REASON NO OTHER SUPPLIES OR SERVICES CAN BE USED: Clark Nexsen is the designer of record (DOR) for the construction documents, and the PCAS represents a follow on contract for the continued effort to provide the requested civil and electrical work. No other design firm can achieve the level of familiarity held by Clark Nexsen for this set of construction documents. Substantial duplication of effort will be necessary for another design firm to review the construction documents and provide any insight as to the intent of the original DOR.			
REASON THAT SUGGESTED SOURCE IS THE ONLY SOURCE WHICH CAN PROVIDE THE SUPPLIES OR SERVICES: The use of a new designer will result in a duplication of efforts and costs to the government that is not expected to be recovered through competition and there will be additional delays to complete the construction of a project that has been awarded without PCAS support.			
EXPLAIN WHY AN ADEQUATE PURCHASE DESCRIPTION OR OTHER INFORMATION SUITABLE TO SOLICIT BY FULL AND OPEN COMPETITION HAS NOT BEEN DEVELOPED OR IS NOT AVAILABLE: This is standalone SAP to a contractor who was the DOR of a design package requiring DOR PCAS support. Any design contractor should be willing to complete a new design, utilizing the existing design for reference, requiring cost and effort as needed and cancellation of the existing contract and re-award next fiscal year. Or a new design firm could be convinced to provide PCAS for the design with an allowance of 3-10 times the estimated award amount to allow the contractor to gain familiarity with the original design and to be reimbursed for liability concerns.			
PROVIDE A STATEMENT OF ACTIONS, IF ANY, THE GOVERNMENT MAY TAKE TO REMOVE OR OVERCOME ANY BARRIERS TO COMPETITION BEFORE FUTURE ACQUISITIONS ARE REQUIRED: Due to the fact that the task order had maxed out Quantico has no plans to compete any further work to Clark Nexsen.			
I certify that the statements above are complete and correct to the best of my knowledge. SIGNATURE, TITLE OF CUSTOMER and ACTIVITY 	CODE 40	TELEPHONE NUMBER 703-784-5464	DATE
