

SOURCES SOUGHT NOTICE INDEFINITE DELIVERY QUANTITY (IDIQ) PAVING AT VARIOUS LOCATIONS,  
WASHINGTON, DC, MD & VA

SOLICITATION NUMBER: N40080-16-R-0160

Notice Type: Sources Sought

Date: 09 February 2016

Response date: 24 February 2016

Classification Code: Y-Construction of structures and facilities

NAICS Code: 237310 – Highway, Street, and Bridge Construction

**This is not a solicitation announcement.** This is a Sources Sought Synopsis announcement only. This synopsis is a market research tool being utilized for information to be used for preliminary planning purposes. The information received will be used within NAVFAC Washington to facilitate the decision making process.

This is a survey of the market of potential local U.S. Small Business Administration (SBA) certified 8(a), SBA certified HUB Zone, SBA certified Service Disabled Veteran-Owned Small Businesses (SDVOSB), SBA certified Women Owned Small Businesses (WOSB) and SBA certified Economically Disadvantaged Women Owned Small Businesses (EDWOSB). Based upon this survey a decision will be made whether to issue the proposed solicitation for the types of firms indicated above or to issue as full and open competition (unrestricted).

**This notice does not constitute as Request for Proposal.** It is not to be construed as a commitment by the Government for any purpose other than market research and is not restricted to a particular acquisition approach. No reimbursement will be made for any costs associated with providing information in response to this announcement or any follow-up information requests. Respondents will not be notified of the evaluation and any information submitted by respondents to this notice is strictly voluntary.

NAVFAC Washington is seeking SBA certified 8(a)s, SBA certified HUB Zones, SBA certified SDVOSBs, SBA certified WOSBs, and SBA certified EDWOSBs with current relevant experience with Indefinite Delivery/Indefinite Quantity contracts, personnel, and the capability to perform new paving, paving repair, and/or replacement of various types of paving such as roadways, airfields, sidewalks, curbs, gutters, etc. Other incidental types of work, including but not limited to, demolition, site preparations, and site drainage are also included in the scope of work. Paving and associated work may be ordered for industrial, commercial, and residential locations indicated with each task order. The work requires the repair and alteration to real property via paving of various areas within the Naval Facilities Engineering Command (NAVFAC) Washington, Area of Responsibility (AOR) in accordance with fixed price individual task orders issued under the basic contract. The NAVFAC Washington AOR includes naval facilities in Maryland, Northern Virginia and the Washington, DC area. The contractor may also, on occasion, be

tasked to provide services described herein to any DOD or other Federal agency located in the Continental United States (CONUS).

The contractor shall provide all labor, materials, tools, equipment, supervision, management and transportation required to repair/alter various sites, in accordance with the contract requirements. Work includes, but not limited to: demolition, excavation and site work, reinforcing concrete pavement, bituminous pavement, concrete work, pavement striping and painting, storm drainage structures and pipes, pavers and miscellaneous work.

NAICS code is 237310 – Highway, Streets, and Bridge Construction with a small business size standard of \$36.5 million. The proposed contract will be for a base period of one year and four (4) one year renewable options, resulting in the contract performance period of a maximum of 5 years. The estimated total contract price for the based year and four (4) options years combined is \$50,000,000.

Interested sources are invited to respond to this sources sought announcement by submitting the following information:

1. Contractor Information: Provide your firm's contact information.
2. Type of Business: Identify whether your firm is a SBA certified 8(a), SBA certified HUB Zone, SDVOSB, SBA certified WOSB, and/or SBA Certified EDWOSB concern. For more information on the definitions or requirements for these small business programs, refer to <http://www.sba.gov/>
3. Bonding Capacity: Provide your surety's name, your maximum bonding capacity per individual project, your maximum bonding capacity, and your current bonding capacity.
4. Experience: Submit a maximum of 5 government or commercial contracts/projects your firm has completed in the last 3 years (from the date of this announcement) demonstrating your experience under this NAICS as indicated in this announcement with a cost range of \$2,000 to \$500,000. For each of the contracts/projects submitted for experience provide the title; location; whether you were a prime or subcontractor; award and complete dates; contract or subcontract value; type of work and structures/facility; type of contract (IDIQ or other); a narrative description of the paving work provided by your firm; and customer information including point of contact, phone number, and e-mail address. DO NOT submit basic contracts for IDIQ work, only the Task Orders issued to the basic contract.
5. Additional information: If the project submitted was for general construction, state which percentage of the total work performed was for paving.
6. Include a copy of your company's SBA profile from <http://dsbs.sba.gov> and your company's System for Award Management (SAM) printout from <https://www.sam.gov>

The package shall be sent by mail to the following address: Naval Facilities Engineering Command, Washington, 1314 Harwood Street, SE, Bldg 212, Washington Navy Yard, Washington, DC 20374-5018 (Attn: Cynthia Crowder).

Submission must be received at this office cited no later than 2:00 PM Eastern Standard Time on 24 February 2016. LATE SUBMISSIONS WILL NOT BE ACCEPTED. Electronic submission will not be accepted. Questions or comments regarding this notice may be addressed to Cynthia Crowder by email [Cyndi.crowder@navy.mil](mailto:Cyndi.crowder@navy.mil)
