

## N40085-10-R-2815 MOBILE REPAIR/REPLACE VEHICLE GLASS

This is a revised sources sought notification to the original dated 21 July 2009. This is a market research tool to determine the availability of sources prior to issuing the RFP. This announcement is for information and planning purposes only.

The intent of this notice is to identify potential veteran owned businesses, service disabled veteran owned businesses, HUBZone businesses, small disadvantaged businesses and women owned small businesses certified by the Small Business Administration (SBA) capable of providing all labor, supervision, tools, materials, equipment and transportation necessary to perform mobile glass replacement and repairs for various types of vehicles located at NAVFAC MIDLANT sites.

This requirement will result in one solicitation for a multiple award Indefinite Delivery, Indefinite Quantity (IDIQ) contract with the intent to award possibly four (4) single awards for the following Naval Facilities Engineering Command, Mid-Atlantic (NAVFAC MIDLANT) Areas of Responsibility:

**Hampton Roads, Virginia** including: 1) Naval Station, Norfolk, Virginia; 2) Naval Amphibious Base Little Creek, Norfolk VA. Including Fort Story, Virginia Beach, Virginia; 3) Naval Air Station Oceana, Virginia Beach, VA. Including Dam Neck Naval Training Center, Virginia Beach, Virginia; 4) Naval Weapons Station Yorktown, York County, VA. Including Cheatham Annex, Williamsburg, Virginia; 5) Norfolk Naval Shipyard, Portsmouth, VA. Including Portsmouth Naval Hospital and St. Julian's Creek Annex, Portsmouth Virginia;

**North Carolina Areas** including: 1) Marine Corps Air Station, Cherry Point North Carolina; 2) Marine Corps Base Camp Lejeune, North Carolina.

**Pennsylvania Areas including:** 1) Naval Support Activity, Philadelphia, Pennsylvania; 2) Philadelphia Naval Business Center, Philadelphia, Pennsylvania; 3) Naval Support Activity, Mechanicsburg, Pennsylvania.

**Additional Areas including:** 1) Naval Station Newport, Newport, Rhode Island; 2) Navy Submarine Base, New London, Connecticut

The North American Industry Classification System (NAICS) code for this proposed competitive procurement is 811122 (size standard is \$7M). The contract is for one (1) base year and four (4) one year option periods. IDIQ work may be ordered utilizing DoD EMALL or on a task order specifying the exact locations and types of work to be accomplished. The period of performance will be specified in each task order by the Contracting Officer or by each DoD Email order.

The Contractor shall perform work in a variety of vehicles including passenger cars, vans, heavy equipment, trucks, fire trucks, forklifts, cranes, front-end loaders, police cars, ambulances, hazard material response trucks, box trucks, and tanker trucks. The sizes of

the windows are various and shall be determined by the type, make, and model of the vehicle or type of equipment. All vehicle glass repair and replacement work shall be completed in accordance with ANZI/AGRSS 002-2002 Automotive Glass Replacement Safety Standards and the Federal Motor Vehicle Safety Standards related to automotive glass.

All qualified Small Business firms are encouraged to respond. It is requested that interested parties submit a brief capabilities package. The Capability Statement should include the following: 1) Name and address of firm, 2) Relevant experience and past performance, 3) Size, status, program, if applicable, 4) Ownership, 5) Year firm was established, 6) Specifically identify which of the four areas you are interest in, 7) Name of two principles to contact, including title and telephone number, 8) approved NAICS for your firm.

Additional information related to this procurement will be available once the specifications are available in electronic format only on [www.neco.navy.mil](http://www.neco.navy.mil) website. The Government reserves the right to request additional information as needed, from any and all respondents. The information must be complete and sufficiently detailed to allow the NAVFAC team to determine the firm's qualifications to perform the defined work. Please provide on 8 ½ by 11-inch standard paper and limit number of pages to 5 (including all attachments). Interested parties shall submit responses via email in Microsoft Word format to [alisa.mahaffey@navy.mil](mailto:alisa.mahaffey@navy.mil), Contract Specialist 757-341-0090. Your information must be submitted to NAVFAC MIDLANT no later than 10 calendar days from posting of this notice.
