

This is not a request for either a quote or proposal. The intent of this pre-solicitation synopsis is to notify potential offerors of the upcoming solicitation for Wood Grinding and Yard Waste Grinding Services in Support of Landfill Operations at Marine Corps Base Camp Lejeune, Jacksonville, North Carolina.

The North American Industry Classification System (NAICS) Code for this requirement is 562219 with a size standard of \$12,500,000.00. This procurement will be a 100% set-aside for certified HUBZone small businesses.

The Government anticipates awarding an Indefinite Delivery, Indefinite Quantity (IDIQ) contract with a base period of 12 months plus two (2) twelve-month option periods, to be exercised at the discretion of the Government. The minimum guarantee will be \$20,000.00. The total term of the contract, if all options are exercised, will be for 36 months. The Contractor may be required to continue performance for an additional period not to exceed six (6) months under FAR Clause 52.217-8, "Option to Extend Services". In either case, the Government will not synopsise the options when exercised.

The applicable Service Contract Act (SCA) Wage Determination is 05-2393, Revision No. 12, Date of Revision: 06/13/2011. A complete copy of the wage determination can be found at <http://www.wdol.gov/>.

The solicitation will be available on or about 25 July 2011. The estimated date for receipt of proposals is 30 days after the solicitation issue date. This solicitation is available in electronic format only. Offerors can view and/or download the solicitation at www.neco.navy.mil and www.fedbizopps.gov/. Qualified Contractors must be registered in the Central Contractor Registration (CCR) website: <https://www.bpn.gov/ccr>. Contractors are encouraged to register for the solicitation when downloading from the Navy Electronic Commerce Online website. Only registered contractors will be notified by E-mail when amendments to the solicitation are issued. All documents will be in the Adobe Acrobat PDF file format via the Internet. The free Acrobat Reader, required to view the PDF files, can be downloaded from the Adobe website.
