

THIS IS A PRE-SOLICITATION NOTICE ONLY. This notice does NOT constitute a request for proposal, request for quote, or invitation for bid. The intent of this notice is to notify potential offerors that the Officer in Charge of Construction, Marine Corps Installation East intends to solicit bids and award a firm-fixed price contract to Replace Tower TLZ Starling aboard Camp Lejeune, North Carolina.

The work includes, but is not limited to, the construction of a 310' guyed communications tower, construction of RF Repeater Equipment shelter in support of the communications tower, new underground secondary service, new underground communications duct bank, and new generator to include ATS and incidental related work. The proposed contractor will provide sufficient material, labor, equipment, supervision, and transportation to fulfill all requirements of the contract in accordance with industry standards.

The procurement method to be utilized is FAR Part 14 Sealed Bidding and the estimated cost for this procurement is \$400,000 to \$700,000.

The proposed contract listed here is anticipated to be solicited as a 100 percent HUBZone Set-side and is therefore subject to Federal Acquisition Regulation clause 52.219-3. The NAICS Code for this procurement is 236220 and the annual size standard is \$33,500,000.

This is a new procurement. It does not replace an existing contract. No prior contract information exists.

Offerors can view and/or download the solicitation, and any attachments, at <https://www.neco.navy.mil/> when it becomes available, free of charge. Plans, specifications, and drawings will be available for electronic download on or about 10 May 2013. Bids will be due on or about 11 June 2013 at 2:00 PM.

Offerors shall submit with their offer a bid bond of 20% of the amount of their proposal.
