

**SIMPLIFIED ACQUISITION PROCEDURES (SAP)  
SINGLE SOURCE DETERMINATION FOR ACQUISITIONS**

SOLICITATIONS MAY BE LIMITED TO ONE SOURCE ONLY IF THE CONTRACTING OFFICER (*within its warrant authority*) DETERMINES THAT ONLY ONE SOURCE IS AVAILABLE IAW FAR 13.106-1(b). THIS DETERMINATION SHALL BE SUPPORTED WITH FULL JUSTIFICATION FOR SINGLE SOURCE FROM THE CUSTOMER. THE CUSTOMER SHALL PROVIDE THE FOLLOWING INFORMATION:

QUOTE/SOLICITATION NUMBER

N40085-14-P-5513

ESTIMATED AMOUNT (over \$2,500 but not exceeding \$100,000)

DESCRIPTION OF SUPPLIES OR SERVICES REQUIRED AND THE INTENDED USE

Internet Service

UNIQUE CHARACTERISTICS THAT LIMIT AVAILABILITY TO ONLY ONE SOURCE, WITH THE REASON NO OTHER SUPPLIES OR SERVICES CAN BE USED.

Cox is the only local internet provider that can provide Utility's Industrial Controls System (ICS) network connectivity between the Hampton Roads bases. NMCI does not support the ICS network.

REASON THAT SUGGESTED SOURCE IS THE ONLY SOURCE WHICH CAN PROVIDE THE SUPPLIES OR SERVICES

This is a Metro Ethernet project for the Hampton Roads area. Cox Communication has provided an installed Metro Ethernet services to NAVFAC Mid-Atlantic. Due to this is a Cox Communication managed network, Cox Communications is the only provider able to extend these services to us to allow us to continue use of these networks. If forced to choose a different vendor for these services, we would have to uninstall all Cox provided hardware and pay the new provider to survey, evaluate, order, install, test and activate an entire new network infrastructure. This path would be disadvantageous to the government due to it would cause service delays as well as fairly significant unnecessary cost increases.

EXPLAIN WHY AN ADEQUATE PURCHASE DESCRIPTION OR OTHER INFORMATION SUITABLE TO SOLICIT BY FULL AND OPEN COMPETITION HAS NOT BEEN DEVELOPED OR ARE NOT AVAILABLE.

The material/service must be compatible in all aspects (form, fit, function). This can be provided only by Cox Communications.

PROVIDE A STATEMENT OF ACTIONS, IF ANY, THE GOVERNMENT MAY TAKE TO REMOVE OR OVERCOME ANY BARRIERS TO COMPETITION BEFORE FUTURE ACQUISITIONS ARE REQUIRED

None.
