

THIS IS A SOURCES SOUGHT NOTICE ONLY. THIS IS NOT A REQUEST FOR PROPOSAL. THERE WILL NOT BE A SOLICITATION, SPECIFICATIONS, OR DRAWINGS AVAILABLE AT THIS TIME.

The Naval Facilities Engineering Command, Mid-Atlantic is seeking information from eligible business firms capable of performing Design/ Build and Design/Bid/Build Construction Services for Whole Center Repairs (WCR) to Navy Operational Support Center (NOSC) Lehigh Valley, PA. The magnitude of this construction project is between \$5,000,000 and \$10,000,000.

Description of proposed project:

This project will perform a Whole Center Repair (WCR) to NOSC Lehigh Valley, PA. The objective of this project is repair HVAC Mechanical and Electrical systems to extend the useful service life of this NOSC and to bring it up to current codes in order to benefit the training and administration of Navy Reservists asbestos and lead abatement is required.

This project also includes option work to re-pave existing NOSC Lehigh Valley parking lot and to correct water intrusion problems. The parking lot is approximately 77,200 square feet of pavement. The project scope includes removing existing asphalt concrete pavement and any obstructions, back fill low spots, repaving and providing pavement markings, stripping and signage for designated parking spaces. The temporary fencing in center of lot for military vehicles will be removed flush with surface and posts filled with sand material. Project will correct storm water intrusion that is a long standing problem causing ice hazards during winter months. Other project options may include repair drainage issue outside Marine VMF, expansion of truck access road and relocation of hazmat lockers.

All Service Disabled Veteran (SDV) small businesses certified HUBZone small businesses, certified 8(a) small businesses, and other certified small businesses are encouraged to respond. Upon review of industry response to this Sources Sought Synopsis, the Government will determine whether a set-aside acquisition in lieu of full

and open competition is in the Government's best interest. The appropriate NAICS code for this procurement is 236220. THIS SYNOPSIS IS NOT A REQUEST FOR PROPOSAL. This synopsis is a market research tool being used to determine the availability and adequacy of potential small business sources prior to determining the method of acquisition and ultimate issuance of an award. The Government is not obligated to and will not pay for any information received from the potential sources as a result of this synopsis. It is requested that interested small business firms submit to the Contracting Officer a brief capabilities statement package (no more than 10 pages in length, single spaced, 12 point font minimum) demonstrating ability to perform the requested services. The documentation shall address, as a minimum, the following:

- (1) Relevant Experience to include experience in performing efforts of similar value, size, and scope within the last five (5) years including contract number, indication of whether your firm acted as a prime or subcontractor, contract value, Government/Agency point of contact and current telephone number, and a brief description of how the contract relates to the technical requirements described herein.
- (2) Past Experience in performing Design/Bid/Build and Design/Build projects within the last 5 years;
- (3) Company Profile to include the following:
 1. Number of employees.
 2. Office location(s).
 3. Available bonding capacity per contract.
 4. DUNS number.
 5. CAGE Code.
 6. Small business designation/status claimed.
 7. Annual revenue

RESPONSES ARE DUE NLT 07 April 2015, NLT 2:00 PM EST. LATE RESPONSES WILL NOT BE ACCEPTED. The package shall be sent, by mail, to:
