- Boom Articulation: minimum range from -15 to 80 degree
- Digging Radius Minimum range of 18.7 ft to Digging Radius Maximum: 28.5 ft
- Continuous Rotation With High Capacity Drive Gearbox
- Outrigger Boom Interlock System
- Hydraulic Extending Full Capacity Fiberglass Upper Boom
- Operator Main Control Panel With Multi-Lever Controls
- Emergency Stop Switch on Main Control Panel(s)
- Five Function Hydraulic Overload Protection System
- Boom Storage Protection System
- Electronic Side Load Protection (E-SLP) with Load Sense
- Fiberglass Boom Tip and Transferable Steel Flares for Pole Setting
- Hydraulically Tilting Pole Guide With Pole Guide Interlock
- Insulating per ANSI "46kV and below" Dielectric Rating
- Painted White With Altec Powder Coat Paint Process
- Designed and Manufactured in Facilities Certified to ISO 9001
- Turntable Winch mounted in rear; this gives maximum durability and leverage.
- Conformance to ANSI A10.31-2006.
- Upper Controls
- Mechanical Shift and Hydra-Sync Two-Speed Diggers
- Assists With Setting Screw Anchors
- Fiberglass Jibs for Material and Personnel Handling
- Riding Seat
- Traditional Control Seat
- Joystick Controller for Three Basic Functions of Derrick
- High Speed Winch
- Engine Foot Throttle
- Radio Remote Main Control Panel
- Right-Hand or Left-Hand Digger Storage
- Fall Protection System

- Wheel Chocks
- Outrigger Pads

All other terms and conditions will be included in the solicitation.

The Government intends to award a Firm Fixed Price contract with a base period of one year plus two (2) option years. The total term of the contract, including all options, will not exceed thirty-six (36) months. The Contractor may be required to continue performance for an additional period up to six (6) months under the Option to Extend Services Clause. In either case, the Government will not synopsise the options when exercised.

The North American Industry Classification System (NAICS) Code for this procurement is **532490** and the annual size standard is \$32,500,000.00. There is no current contract in place for the above mentioned services.

All Small Business concerns are encouraged to respond. The Government will not pay for any information solicited. Respondents will not be notified of the results of this market analysis. One of the main functions of this Sources Sought is to assist the Contracting Officer in determining whether a Small Business concern set-aside is an acceptable strategy for this procurement.

Notifications of interest must be submitted in writing via email; phone calls will **NOT** be accepted. Interested parties should respond as soon as possible but **NO LATER THAN 5:00 p.m. 15 January 2016**. Responses to this Sources Sought Notice shall be emailed to the following address: clifton.gaither@navy.mil. In your email, please indicate your interest, business size, Cage Code, and DUNS Number. Questions will not be entertained at this time.

Offerors can view and/or download the synopsis and solicitation, and any attachments, at <https://www.neco.navy.mil/> or <https://www.fbo.gov/> when it becomes available.
