

## **N62470-15-R-4020: REQUEST FOR INFORMATION (MODIFICATION 02) FOR RENEWABLE ENERGY GENERATION TO SUPPLY LOCATIONS IN ITALY**

### **Instructions**

The Department of the Navy (DON) is issuing this Draft Request for Proposals (DRFP) to provide industry with an example of what a future Request for Proposals (RFP) may look like, including some of the terms and conditions that the Government is contemplating for a future procurement.

The Government requests that industry review this DRFP and provide comprehensive feedback utilizing Attachment A, DRFP Comment Form. Please include explanations and reasoning to support your feedback to any and all elements of this DRFP, including, but not limited to, the following items:

1. Preference between contract Scenario 1 and Scenario 2;
2. Whether there is a particular Terna Transmission Zone in which it would be most beneficial to locate one or more renewable energy generation assets, considering potential capacity factors of various technologies and the location of the Facilities in this DRFP;
3. The type of technology for the Renewable Energy Generation System (REGS) that may best meet the Government's potential future requirement;
4. The suggested mechanisms for pricing;
5. Whether the Government's list of "Other Market Charges" is complete and accurate for the proposed procurement;
6. The proposed monthly and annual review processes;
7. The Termination for Convenience language in Section H.8; and
8. Additional information, if any, that the responders believe to be relevant.

**This is not a request for proposal. DO NOT SUBMIT A PROPOSAL IN RESPONSE TO THIS DRFP. Respondents to the DRFP should not follow the instructions in Section L that direct the submission of an offer to the Government. When responding to the content of Section L, follow the title box instructions, "For Information Purposes Only."**

**Attachment A, DRFP Comment Form for this Draft RFP is due by 17:00 EST on 13 May, 2016 to the Contract Specialist, Erin Quimby, via email at [erin.quimby@navy.mil](mailto:erin.quimby@navy.mil).**

### **Industry Day on 12 April 2016**

Representatives from the Government will host an industry day in Rome on 12 April, 2016, to discuss this project, including questions and comments about the DRFP, with members of industry who may be able to fulfill DON's future requirements. Please monitor [www.neco.navy.mil](http://www.neco.navy.mil) for more information about this upcoming event.

### **Notice**
