This procurement is limited to qualifying SBA 8(a) firms. The Government will not consider offers from other than 8(a) firms. The procurement method will be contracting by negotiation, using Low Price, Technically Acceptable (LPTA) source selection procedures. The North American Industry Classification System (NAICS) Code is 561320, Temporary Services with a SBA Small Business size standard of \$25.5 million. The Government will give fair consideration to all awardees in placing orders based on criteria stated in the solicitation. The anticipated period of performance is for a base and three (3) option periods, for a total of 36 months.

This contract will replace contracts for similar services awarded from 2008 through 2013. Information about the current contracts and the incumbent contractor (e.g., value of last option exercised, firm name, address, etc.) will be included in the solicitation package. Requests under the Freedom of Information Act are not required for this information. All pre-award activities will be processed through FedBizOps and NECO.

The solicitation number is N62473-13-R-2011. The estimated solicitation issue date is July 31, 2013. Offerors can view and/or download the solicitation, and any attachments, at <https://www.neco.navy.mil/> when it becomes available. The main POC for this requirement is Patty Olivas, 619-532-2375, patty.olivas@navy.mil.
