15 APRIL 2015

1. Under CRITERION 8 - VOLUME OF WORK AWARDED, it is requested that the Offeror provides a list of DOD contracts/task orders awarded in the last 12 months to the Firm identified in the SF330 as the Prime. In the case of a JV between the 8(a) and a large business, the list of contracts to the large business may be long therefore, we would like to request that the response to Criterion 8, not be counted in the total page limit.

Answer: Criterion 8 is here by revised. See Amendment 04 of the synopsis.
