8	[FIRM NAME REDACTED] is interested in responding to the above referenced solicitation. But we are curious, what, if any, connection this solicitation has to solicitation no. N62742-16-R-0003 that was posted on April 28, 2016 and had a response date of June 01, 2016. Both have been issued by NAVFAC, Pacific. The wording of the project description in both is very similar. The contracting officer for N62742-16-R-0003 was Dean Burnett in the NAVFAC Pacific office. Both are unrestricted and open to both large and small business concerns. They have similar dollar limitations and similar contract lengths.' We were wondering in NAVFAC Pacific is intending to advertise and award multiple contracts?	<p>There is no connection between NAVFAC Hawaii's Solicitation N62478-16-R-5027 and NAVFAC Pacific's Solicitation N62742-16-R-0003.</p> <p>NAVFAC Pacific did not issue Solicitation N62478-16-R-5027.
