4. Statutory Authority Permitting Other Than Full and Open Competition

10 U.S.C. 2304(c)(1), One source or limited sources

This is a Navy-to-Navy and U.S. - China diplomatic engagement. Shanghai Development Shipping Co. Ltd. is the vendor mandated by the East Sea Fleet, People's Liberation Army - Navy of the People's Republic of China to perform husbanding services in Wusong Naval Base.

5. Rationale Justifying Use of Cited Statutory Authority

Shanghai Development Shipping Co., Ltd. is the only authorized contractor to go in and out of the East Sea Fleet Naval Base. Failure to award this effort to Shanghai Development Shipping Co., Ltd. will leave USS STETHEM (DDG 63) with no husbanding services. This would have tremendous negative impact on this vital Navy-to-Navy and U.S.-China diplomatic engagement.

6. Description of Efforts Made to Solicit Offers from as Many Offerors as Practicable

The market research conducted via the port surveys details that Shanghai Development Shipping Co., Ltd. is the vendor mandated by the East Sea Fleet, People's Liberation Army - Navy of the People's Republic of China to perform husbanding services in Wusong Naval Base. Therefore, this will be non-competition requirement there's no other potential sources available.

7. Determination of Fair and Reasonable Cost

The Contracting Officer has determined the anticipated cost to the US Government for services covered by this J&A will be fair and reasonable based on a comparison of fair and reasonable prices paid for similar services on previous procurements or other port visits, a comparison of proposed prices with the Independent Government Estimate and a comparison of proposed prices with the prices obtained through market research for the same or similar items.

8. Actions to Remove Barriers to Future Competition

For the reasons set forth in Paragraph 5, NAVSUP Fleet Logistic Center Yokosuka has no plans at this time to compete future contacts for the types of supplies/services covered by this document. If another potential source emerges, (contracting activity) will assess whether competition for future requirements is feasible.
