

SOURCES SOUGHT FOR DESIGN-BUILD UTILITIES AND SITE IMPROVEMENTS, GUAM. This is a Sources Sought announcement only. This is not a solicitation announcement for proposals and no contract will be awarded from this announcement. No reimbursement will be made for any costs associated with providing information in response to this announcement or any follow-up information requests. No telephone calls will be accepted requesting a bid package or solicitation because there is no bid package or solicitation available. In order to protect the procurement integrity of any future procurement, if any, that may arise from this announcement, information regarding the technical point of contact will not be given and no appointments for presentations will be made.

Naval Facilities Engineering Command (NAVFAC) Pacific, Architect-Engineer/Construction Contracts Division, is seeking information on establishing a new Design Build Utilities and Site Improvements, Guam contract. This acquisition will construct utilities including water, wastewater, electrical, and communications systems and site improvements including removal of Munitions and Explosives of Concern (MEC)/Unexploded Ordnance (UXO), demolition, clearing and grubbing, site grading, roadways, sidewalks, street signs, pavement markings, fencing, storm drainage system, and landscaping.

The North American Industry Classification System (NAICS) may include Subsection 237 – Heavy and Civil Engineering Construction. The applicable size standard is \$36.5 million.

Interested sources having the capability to perform this work are invited to submit qualifications, limited to 50 pages (8-1/2" x 11", duplex), by 18 May 2015, 2:00 p.m., HST. Documents may be submitted via electronic mail to bernadette.julian@navy.mil or mailed to Ms. Bernadette Julian, NAVFAC Pacific (ACQ31), 258 Makalapa Drive, Suite 100, JBPHH, HI 96860-3134. Complete information must be submitted as the Government will not seek clarification of information provided. The Government will not contact the concern for clarification of information. The market survey is for planning purposes only and shall not be construed as a Request for Proposal or as an obligation on the part of the Government. The Government does not intend to award a contract on the basis of this market survey or otherwise pay for the requested information. The Government will not provide a debriefing on the results of this survey. All information will be held in a confidential manner and will only be used for the purposes intended. **NO TELEPHONE CALLS OR FACSIMILES WILL BE ACCEPTED.** Responses received after the deadline or without the required information will not be considered. Since this is a Sources Sought announcement only, evaluation letters will be not be issued to any respondent.

NAVFAC PACIFIC ACQ31
SOURCES SOUGHT QUESTIONNAIRE

Firm Name: _____

Firm Address: _____

Phone Number: _____

DUNS #: _____

Name/Title of Person Completing Questionnaire: _____

1. Type of small business concern (check all that applies):

___ Section 8(a) (Submit a copy of the letter from the Small Business Administration certifying as a Section 8(a) concern) for NAICS Code(s) _____;

Geographic Area _____

___ HUBzone Small Business (Submit a copy of the letter from the Small Business Administration certifying as a HUBZone SBC) for NAICS Code(s) _____

___ Woman-Owned Small Business for NAICS Code(s) _____

___ Service Disabled Veteran Owned Small Business for NAICS Code(s) _____

___ Small Business for NAICS Code(s) _____

___ Large Business for NAICS Code(s) _____

2. Do you have experience and past performance on the following (check all that applies):

___ Design-Build

___ Construct utilities including water, wastewater, electrical, and communications systems and site improvements

___ Removal of Munitions and Explosives of Concern (MEC)/Unexploded Ordnance (UXO)

___ Demolition

___ Clearing and grubbing

___ Site grading, roadways, sidewalks, street signs, pavement markings, fencing

Storm drainage system

Landscaping

For each checked block, submit information on a maximum for two projects (e.g., 2 design-build, 2 utilities, etc.). Use the attached form (Attachment (1)), "Past Performance / Experience Information". For each project, the firm shall submit evidence of customer satisfaction in the form of an SF1420 or DD2626 CCASS ratings.

Note: There is a clear distinction between "experience" and "past performance". Experience is related to the types and amounts of projects previously accomplished. Past performance relates to how well a contractor has performed.

3. Identify the annual dollar value that your firm would be interested/capable in performing:

\$25 million to \$50 million

\$50 million to \$75 million

\$75 million to \$100 million

\$100 million to \$125 million

\$125 million to \$150 million

Provide financial statements (balance sheets) for the past three years to demonstrate that your firm has the financial capacity to perform a construction project of the magnitude selected. Further, the Experience/Past Performance information shall support that you have completed a project of the magnitude selected.

4. Provide a letter from your corporate surety indicating the single contract bonding capacity and the aggregate bonding capacity.

FIRM NAME: _____

PAST PERFORMANCE/EXPERIENCE INFORMATION

Provide the following information on each project to demonstrate the firm’s “relevant” past performance/experience (Use continuation sheets, if needed).

Contract No:	
Contract Title:	
Location:	
Name of Prime Contractor Performing the Contract (as shown on the contract documents)	
Name of Lead Designer (if design-build)	
Original Contract Amount:	\$
Final Contract Amount	\$
Original Contract Completion:	
Final Contract Completion:	
Any liquidated damages assessed:	
Owner/Customer Point of Contact:	
Owner/Customer phone/fax Nos:	
Owner/Customer e-mail address:	
Was Offeror Prime Contractor or Subcontractor:	
Percentage of work performed by Offeror:	
Customer Evaluation of work performed (Attach evaluation, letters of appreciation, etc.):	
<p>Provide a description of the project as it relates to design-build, barracks/dormitories, administrative facilities, communication facilities, educational facilities, medical/dental/hospital facilities, dining facilities, industrial facilities, warehouse facilities, ranges, operational/training facilities, roads, streets, bridges, site utilities/infrastructure, dredging, and aviation facilities (including hangars, runways and aprons):</p>	

Other information the Contractor deems necessary for the Government's evaluation of past performance in terms of customer satisfaction such as any negative past performance information that will assist the Government in fairly and accurately evaluating the company's past performance (e.g., why liquidated damages were assessed or why performance evaluation was marginal, etc.). Provide any information on problems encountered and the corrective actions taken:
