

Question	Response
<p>Under Criterion 7, Small Business Utilization, Sub-criteria B, the last sentence of the first paragraph states that we should “utilize \$10M as the total proposal price” when identifying the dollar value and percentage of total proposed price, as well as planned usage of the SB partners. Is it the intent of NAVFAC Pacific that we should actually use \$30M as the total proposal price given the stated contract capacity?</p>	<p>Yes, utilize \$30M as the total proposed price. See Modification 06.</p>
<p>Request clarification on Response in Mod 05 to question about Volume of Work:</p> <p>In responding to Criterion 9, shall a joint venture provide only the list of DoD contracts/task orders awarded to that joint venture in the last 12 months?</p> <p>Or</p> <p>Shall the joint venture provide the list of DoD contracts/task orders awarded to that joint venture in the last 12 months AND ALSO the list of contracts/task orders awarded to the member firms of the joint venture in the last 12 months?</p> <p><input type="checkbox"/></p>	<p>Response to question in Mod 05 regarding Volume of Work is replaced with the following response:</p> <p>Joint Ventures shall provide a listing of all DoD contracts/task orders awarded to the Joint Venture as well as a listing of all DoD contracts/task orders awarded to each Joint Venture member within the past 12 months.</p>
