The Naval Criminal Investigative Service (NCIS) Technical Services Division (TSD) wishes to start a contract with Comcast Corp for IP Static Address.

Back in FY-2012 NCIS Technical Services Division (TSD) started to utilize more IP videos on the internet, and NCIS started out with 5 Static IP Address, and after two months it grew to 13 Static IP Address, and the cost got to be too much for my Government purchase card. NCIS purchased 13 more Static IP address from Comcast and one more modem for the Static IP address that were purchased.

Static IP address means that about 6 to 9 numbers that your give a device like setting up your computer at home, and the company will give your this number so that you can hook up to your internet service.

Specific characteristics of the material or service that limit the availability to a sole source (unique features, function of the item, etc.). Describe in detail why only this suggested source can furnish the requirements to the exclusion of other sources.

A detailed description of the Comcast Static IP addresses that we currently purchased and utilize in 2012 is as follows:

Static IP

For more involved usage, like running one or more servers, utilizing applications that require external access, or allowing a service to run incoming audio or video, you will need a static IP address. Depending how many of these you plan to use for your business will determine how many static IPs you will need.

Requirements for setting up your IP address:

The Naval Criminal Investigative Service (NCIS) Technical Services Division (TSD) would like to obtain option Years for FY-14 and FY -15 for Maintenance and Support of the Static IP addresses.

CLIN: (2) we would like to get Option Years for FY-14 and FY-15.

NCIS Technical Services Division (TSD) is currently requesting 13 more Static IP address from Comcast and another modem for the additional 13 Static IP address.

Comcast is the only service that can give us what we need, and also they are the only company that can run their lines in Russell Knox Building (RKB). **We need this service up and running on the 2nd of January 2013 so that we can do test to make sure that everything will work.**

The material/service must be compatible in all aspects (form, fit and function) with existing systems presently installed. Describe the Equipment you have now and how the new item/service

must coordinate, connect, or interface with the existing system.

A patent, copyright or proprietary data limits competition. The proprietary data is

These are "direct replacements" parts/components for existing equipment.

Other information to support a sole-source buy:
NCIS conducted a market survey and found that Comcast is the only company that can provide us on what we need to complete our operational work in the field. Yes we did look into one more company which is Direct TV but they only do Satellite/ internet but no IP. Camera use.

I CERTIFY THAT STATEMENTS CHECKED, AND INFORMATION PROVIDED ABOVE, ARE COMPLETE AND CORRECT TO THE BEST OF MY KNOWLEDGE. I UNDERSTAND THAT THE PROCESSING OF THIS SOLE-SOURCE JUSTIFICATION PRECLUDES THE USE OF FULL AND OPEN COMPETITION.
