Memorandum for Record: Purchase of [REDACTED]

This contract action is below the Simplified Acquisition Threshold of \$150,000 for the purchase of [REDACTED]. In reference to the authority in FAR 5.202(a)(1) – Exceptions; the contracting officer need not submit the notice required by FAR 5.201 when the contracting officer determines that the synopsis cannot be worded to preclude disclosure of an agency’s needs and such disclosure would compromise the national security (e.g., would result in disclosure of classified information). The fact that a proposed solicitation or contract action contains classified information, or that access to classified matter may be necessary to submit a proposal or perform the contract does not, in itself, justify use of this exception to synopsis. Other references and authority for not publicizing this action include FAR 5.30 (a)(3) and FAR 5.102(a)(5)(i). [REDACTED]
