Notice Type: Pre-Solicitation

The Fleet Logistics Center Jacksonville (FLCJ) has a “**sole source**” procurement for facilities and catering services in support of the PANAMAX 2016 exercises at Naval Station Mayport, FL. This is both an operational and foreign military interaction exercise and is a top priority exercise for U. S. Southern Command (USSOUTHCOM). The primary objective of this contract is to obtain facilities and catering services for Expeditionary Logistics and Life Support Services for U.S. Navy and Partner Nation forces operating ashore in Mayport, Florida for about 49 personnel. Due to the Partnering Nations (PN) participation the **Ocean Breeze** facility located on Naval Station Mayport will be utilized. Due to Force Protection requirements and security of PN personnel on-base facilities are required. It is essential that all required services be coordinated with the Contracting Officer Representative (COR) and delivered and operating upon arrival of forces unless otherwise specified by COR. The SC shall work closely with the assigned COR, in the coordination and scheduling, ensuring effective completion of all services described herein. The Services Contractor (SC) shall provide all labor, material, personnel, operational and technical support to perform the statement of work for the execution of this exercise.

Due to the use of the facilities, central location of exercise, availability of naval base security resources for the size of service personnel coordination for this event shall be sole source procurement. The contractor’s conference center is within walking distance of berthing facilities and has catered similar events for Commander, U.S. Naval Forces Southern Command (COMUSNAVSO) and USSOUTHCOM. This contractor will provide extensive cost-savings in logistical and manpower resources and requirements for movement of Partner Navy (PN). No conference room or set-up fees associated with any events.
