Specific characteristics of the material or service that limit the availability to a sole source (unique features, function of the item, etc.) Describe in detail why only this suggested source can furnish the requirements to the exclusion of other sources.

UNIQUE Communications owns the proprietary software and no other vendor can provide the required maintenance support.

The requested material or service represents the minimum requirement of the government.

CHECK & FILL IN ALL APPLICABLE BLANKS BELOW

The material/service must be compatible in all aspects (form, fit and function) with existing systems presently installed. Describe the equipment you have now and how the new item/service must coordinate, connect, or interface with the existing system.

---

A patent, copyright or proprietary data limits competition. The proprietary data is software source code which is **PROPRIETARY TO UNIQUE COMMUNICATIONS.**

These are "direct replacements" parts/components for existing equipment.
